GM'S NOTE:

RUN SITE- NEW SHOP LOTS TAR COLLEGE

Wan Lyn became a member this year after being with us for some time and this was her virgin run as the Bunny of the Day! She announced it as a medium/short run beginning from the police pondok and off we went.

The path in was muddy and surface water was showing still despite it having been dry that day. The rest of the run was traversing, going up, down and up again; Picking ones way through vines and climbing (or crawling under) fallen trees blocking the paper trail in many places! With an ever watchful Silent Man making sure Huge, Akz Hole and myself didn't shortcut even after darkness descended and the torches lit. On the way, the late arrivals (Iceman as usual but this time also The General) passed us with ease and disappeared just as quickly as we slowly made our way up the steep incline. Huge was making such a noise I wondered if he was having an orgasm!!

We finally hit the hash highway and then the On Down trail. This was steep and tricky especially in the now black night. What made it more unpleasant were the swarms of flying insects that were drawn to our torchlights. With continually flapping arms we slowly made our way down, watching our feet carefully especially over the loose rocky ground at the bottom of the hill. After what seemed an eternity we came out of the jungle and headed 'home'.

Back at the run site the numbers had swollen significantly, from those at the start, as the "Dinner Club" members had arrived in force. Loud cheers went up as we all arrived back and it was heartening to see so many members enjoying themselves with good food and lots of beers.

So many thanks to Wan Lyn for her very successful "virgin" run and to all those who helped her to set and provide the tasty repast!

CIRCLE:

1. Take Care was the first one called to the ice for saying to the GM that it should be eat 1 Kg of rice for every 5 KM of distance not the other way round!!
2. We had two guests, Gabriella and W'Anchor (but G had disappeared) and so W'Anchor was jovially welcomed yet again to the Harriets. He must be keen, since he went to the wrong run site initially but still made it and did a run with us! Which run I'm not sure about though!!
3. The GM then charged Sperm Whale. His heinous crime was to eat the remaining Ikan Bilis before the GM had had any!! He's lucky she only put him on ice!! Men have been emasculated for less!!
4. The previous weekend a number of members went to KL for the 75th Anniversary of the founding of Hash. Here Lily@ Pussycat did her first (and according to her , her last) ball breaker which she finished in under 6 hrs. So well done to Lily.
(We also acknowledge Money who finished in 18th place out of over 150 but he has run BBs many times. Ed.).
5. Hot and Spicy was brought to the ice by Beauty Queen. She has a forthcoming birthday but was leaving for Australia the next day. As all her friends wanted to celebrate with her an early cake was duly presented and the appropriate song sung!
6. Big Willy was next up to welcome he and Ma back after their journey to the UK. He is now Lord of the Castle and there was something about a Commode and low hanging balls??!!!!!!
7. The Virgin Bunny of the Day was then given pride of place and thanked most sincerely for her good run and the provision of ample and good food. It was a very successful evening. Thank you Wan Lyn.

8. Not forgetting the contracted run setters of Sai Seng and Silent Man who set a good challenging run for us all.

FUNNIES

Who is Drunk?????

The Five Stages Of Drunkenness
Stage 1 - CLEVER This is when you suddenly become an expert on every subject in the known universe. You know you know everything and you want to pass on your knowledge to anyone who will listen. At this stage you are always right. And, of course, the person you are talking to is very wrong. This makes for an interesting argument when both parties are CLEVER.

Stage 2 - ATTRACTIVE This is when you realize that you are the most ATTRACTIVE person in the entire bar and that everyone fancies you. You can go up to a perfect stranger knowing that they fancy you and really want to talk to you. Bear in mind that you are still CLEVER, so you can talk to this person about any subject under the sun.

Stage 3 - RICH This is when you suddenly become the RICHEST person in the room. You can buy drinks for the entire bar because you have a bottomless wallet. You can also make bets at this stage because of course you are still CLEVER so, naturally, you will always win. Anyway, it doesn't matter how much you bet because you are RICH. You will also buy drinks for everyone that you fancy, in the knowledge that you are clearly the most ATTRACTIVE person present.

Stage 4 - INVINCIBLE You are now ready to pick fights with anyone and everyone, especially those with whom you have been betting or arguing. This is because you are now INVINCIBLE. At this point you can also go up to the partners of the people who you fancy and challenge them to a battle of wits or strength. You have no fear of losing this battle, because as well as being INVINCIBLE you are CLEVER, you're RICH and you're more ATTRACTIVE than them anyway.

Stage 5 - INVISIBLE This is the final stage of drunkenness. At this point you can do anything, because you are now INVISIBLE. You can dance on a table to impress the people who you fancy because the rest of the people in the room cannot see you. You can also snob the face off them for the same reason. You are also INVISIBLE to the people who want to fight you. You can walk through the street singing at the top of your lungs because no one can see or hear you and because you're still
CLEVER you know all the words.
