GM'S NOTE:

RUN SITE - LEADER GARDEN

A smaller than usual crowd was at the Harriets last run of 2013 but all the enjoyment was there!! Guests David and Irene (houseguests of Lyna and Nick) were up from Singapore and Kirill turned up too wanting some exercise.

James @ Silent Man always sets very good runs and usually at the day's venue of Leader Garden. This one was no exception as the trail went off towards the PBA having once entered the jungle and from there the On Up was a killer! The weather had been dry the last few days and this had made the track somewhat shaley underfoot and the paths were full of fallen leaves. Not to mention the obstacle course with having to climb either over or under numerous fallen trees blocking the route.

The Christmas parties from the day before had taken a toll on many and Akz Hole and I found even getting to the PBA was a great effort!! When we hit the steep climb I am sure my inwards groans went ringing around the forest! It was a struggle to say the least! One of time and many stops too! After what seemed an eternity, my internal struggle gave way to elation when I heard AH just above me, saying "I see the On Down". That was the spur I needed to hit the top in quicker time!

As we caught our breaths in the clearing we remarked that this hill has so many “ins and outs” that one could get confused or even lost without the paper to follow and I know that some people have!

We made good time on the On Down but just as we thought we knew where we were headed, Silent Man had veered to the left in order to avoid meeting the On Up paper further down the hill, which could really have sent unfamiliar runners around again!! As it was, this section of the On Down brought us out well to the right of the small water tank (when facing the hill) and hence it was an easy exit from there.

The first back was a fit Kirill who took about 45 mins, soon to be followed by Goodyear, now recovered from Dengue, and Money. The rest followed in dribs and drabs over the next 30 mins, however a very knackered David, being suitably escorted by Marks & Spencer and Sai Seng and a still spritely Irene didn't make it back until after 7.30pm.

Hare of the Day Silent Man had prepared chicken curry, to be mopped up with white crusty bread and watermelon as a thirst quencher. Together with assorted tid-bits provided by others, the fare was quickly devoured!

Many thanks James for your good and telling run and for the great curry.

CIRCLE:

1. We first welcomed our guests, David & Irene and Kirill. It was David and Irene's first hash run but I'm not sure David will be doing another though!! Irene was great after only having a baby 6 months ago!
2. The GM then charged Take Care with being tardy in getting to the circle. He was too busy buying beer at the time and chatting. When he came sauntering over she pounced!!
3. The GM was charged in turn by consensus for giving “duff gen” to the pack!!
4. Silent Man was next up (or next on perhaps) to receive due thanks from the pack for a good, taxing run and his signature chicken curry.
5. It was the last run of the month (not only the year) and so the December born babies were asked to present themselves on ice! There were only two in attendance though! The cake was terrific!! Happy birthday to All you December born Members.

Then it was PRESENTATION TIME

6. Silent Man was called back to the ice to receive his mug for achieving 600 Runs! Fantastic!
7. Beauty Queen was next presented with her goblet for 500 runs!! Fabulous!!
8. Polish Piper was presented with his award for achieving 200 runs...some wag saying this was all done in an arm chair!! Wonderful!!
9. Viking was the next recipient having notched up his maiden 100 runs. Great!!

Well done to each and every one of you. They are all terrific achievements!

FUNNIES

A man is in a hotel lobby. He wants to ask the clerk a question. As he turns to go to the front desk, he accidentally bumps into a woman beside him and as he does, his elbow goes into her breast. They are both quite startled.

The man turns to her and says, "Ma'am, if your heart is as soft as your breast, I know you'll forgive me. She replies, "If your penis is as hard as your elbow, I'm in room 436."

A mother is in the kitchen making dinner for her family when her daughter walks in. "Mother, where do babies come from?" The mother thinks for a few seconds and says, "Well dear, Mommy and Daddy fall in love and get married. One night they go into their bedroom, they kiss and hug, and have sex." The daughter looks puzzled so the mother continues, "That means the daddy puts his penis in the mommy's vagina. That's how you get a baby, honey." The child seems to comprehend. "Oh, I see, but the other night when I came into your room you had daddy's penis in your mouth. What do you get when you do that?" "Jewelry, my dear. Jewelry."

After Brian proposed to Jill, his father took him to one side. "Son, when I first got married to your mother, the first thing I did when we got home was take off my pants. I gave them to your mother and told her to try them on, which she did. They were huge on her and she said that she couldn't wear them because they were too large. I said to her, 'Of course they are too big for you, I wear the pants in this family and I always will.' Ever since that day, son, we have never had a single problem." Brian took his dad's advice and did the same thing to his wife on his wedding night. Then, Jill took off her panties and gave them to Brian. "Try these on," she said. Brian went along with it and tried them on, but they were far too small. "What's the point of this? I can't get into your panties," said Brian. "Exactly," Jill replied, "and if you don't change your attitude, you never will!"
