GM'S NOTE:

RUN SITE – KALI'S CORNER PANTAI SHAMROCK

On Sunday the 5th Jan I got a call from Sai Seng to say he was unable to set the Thursday run, so I told him not to worry as I would do it and rope in James to help. So 9.00am Thursday morning James and I met at Shamrock Beach watertank. It was a lovely morning, dry but cool as we set out.

We decided to do the same run as the Christmas one but in reverse. We came across another Chapter's paper almost straight away and hence James decided to deviate from the original path to add some variety and a climb, instead of just sticking to the path.

Eventually after some jungle bashing and steep climb we were back on the pathway once more and headed to the top until the marker dividing the Leader Garden Ridge and Miami Green and the path leading from Francis Corner converged. This used to be symbolized by a large fallen tree trunk across the path but over the years this has now rotted away to nothing!

Taking the Leader Garden pathway as the On Down we laid paper for about a 1/3 of the way and then cut left back into the bush and along a secondary pathway. This turn was the undoing of some of the FRBs who must

have been going so fast they missed the turn during the run and actually went to Leader Garden, which then entailed a long walk back!!

It was a dry, shaley and slippery path in places especially with the leaves, so I was quite careful where I put my feet. At the bottom it was strangely quiet as the normally yapping dogs were not to be heard. I had gone on ahead as James laid the final papers but I was suddenly startled by the sight of a long stringy snake as it slithered it way across the path in front of me. It was gone in a flash and I didn't have time to be alarmed!

In the afternoon the weather changed completely and it bucketed down causing me some concern for the Bunny who had taken the trouble to cook the food minus her other half. However as we got to the run-site the heavy rain has all but gone and only a light drizzle remained and that too soon went away leaving a wonderfully cool evening for us to all enjoy.

We had two guests, Jakob and Tomas from Denmark , who have hashed in Penang on a previous visit and were looking forward to it once again. After the usual first circle the pack went off up the cliff side and soon disappeared from view. Samy then arrived to the relief of those remaining behind for the 'beer-wagon run'. Goodyear and Money were back in about 35 mins followed by the others over the next 45 mins or so. The General found it a little too short and did it one and a half times while, as stated earlier, some even went to Leader Garden!!

After some very nice food and a rum punch we had our usual short and sweet circle.

CIRCLE TIME

1. Our usual welcome was extended to our guests Jakob and Tomas.
2. The GM then called out Uncle Bee for the heinous crime of collecting yearly subs for another Chapter whilst at the Harriets meeting!!!
3. Our resident newspaper star was next as Goodyear once again was mentioned in dispatches for his good work. Definitely worthy of a Tan Sri surely!!!!
4. Uncle Bee had just recovered from her first visit to the ice when she was back on it once more. This time it was to present and congratulate her on achieving 400 runs with the Harriets. Well Done!!
5. The GM next had The General on ice to ask him the reason for coming back down the cliff side went it should have been by the stream. This was when we found out he had been round half way again as it was too short otherwise!!
6. Charges from the floor saw Goodyear have revenge by calling out the GM along with Silentman. Not sure of the charge but they did set the run so thanks were at least in order.
7. Another charge saw Mini Sausage charged by Call Girl for having NEW SHOES. For a seasoned hasher this is an incredible mistake to make but these were even BRAND NEW CLOGS!!! It took some quick thinking by the circle to get one removed from his foot though, without serious injury I may add!!
8. The final icing was of course the Bunny of the Day....Kiss Me. Many thanks for a good run, great food and a fabulous rum punch!!

Next week it is Viking's Run at the new road by TAR College. See you all there!!
