## NEWSLETTER 2191

### **GM'S NOTE:**

### **RUN SITE – BEE GALLERY**

There were an expected handful of people on Thursday. Mike and I had laid the trail across the little bridge. Three other Chapters had also laid claim to the trail and so we diverted up and down with the usual skirting without hitting the top of the ridge. However there was an abundance of paper coming from all directions going up, down and sideways and we choose a particular way for the last On Up.

The area around Bee Gallery and especially the right hand side of the hill is becoming very difficult to set 'new' runs. As Hashing areas around are disappearing and with so many Chapters on the Island it is pretty certain that one will find other papers on the tracks. Even after we set that day another Chapter set on the same hill and hence there is confusion sometimes, especially with guests, as to which paper to follow, especially if your Chapter's paper is 'picked up'! This is exactly what happened on Thursday evening, when, even our own Members followed wrong paper and headed up to Mt. Olivia instead of down and back home when they hit the track after the 'final On Up'.

We had five guests join us for the evening and all came from the Autism Training Centre run by an ex-Harriet Member. As some came in casual shoes they were advised to just go for a “walk in the park” as they would not be able to cope with the slippery terrain. Two of the guests were late and arrived by bus after the others had gone. They looked very fit and after being given instructions off they flew.

Money was back in about 45 minutes and commented there was little paper on the down trail especially at the turn to go down, confirming the fact our paper had been picked up!! Later, other returning Hashers said they met people from another Chapter laying their trail and putting paper every few feet (which is why the hash is getting poor press for littering) and discarding our paper. This is not the first time it has happened with this particular group but we do wish they would respect our runs as we do theirs!!

Our Members came back slowly each with a tale to tell and certainly of different ways they came down! Some from Lily Pond, some on the correct trail and some even by the waterfall! All were back by 7.40pm however even the two boys who started late.

Sai Seng turned up and presented the group with a bunch of bananas for CNY and then sped off for his reunion dinner, which he was cooking! Thanks Sai Seng. Renata meanwhile was busy heating up the food and cooking sausages and soon all were tucking into a veritable feast of sausage, Pork, Salads, Goulash with bread all topped off with a fantastic Polish Cheesecake. All disappeared in no time despite there being only about 22 people. Helmut had brought beer and 100+ for all to enjoy and so the evening progressed wonderfully.

We had no ice but nevertheless we had our usual short circle but with people also having invites to dinner/supper, the pack quickly dispersed thereafter and by 9.30/10pm most had gone home.

Thank you Helmut for taking over the run date at short notice, it is much appreciated. Many thanks also for providing not only the food for the evening but for providing all the drinks too. Very generous of you! Thanks also to Renata for being chief chef on the night and for the fantastic and very delicious cheesecake.

## **CIRCLE TIME**

1. We gave our usual warm welcome to our guests: Hasia, Margaret, Imelda, Tobias and Nadim. Hasia is an old member and it was good to see her once again. Please ALL come back soon.
2. The Hare of the Day was next. Grateful thanks were bestowed on Polish Piper for such a wonderful evening and for the run and drinks provided. Akz Hole was also recognized for setting the run on Helmut's behalf.
3. A late charge from the floor by Tiny saw the GM on ice for forgetting to mention the food part in her thanks to the Hare as she wound up the circle. The food, in the words of Tiny was FANTASTIC!!!

I concur!!

Next week is the CNY run at Shamrock Beach Watertank. Please note it is RM50 for guests.

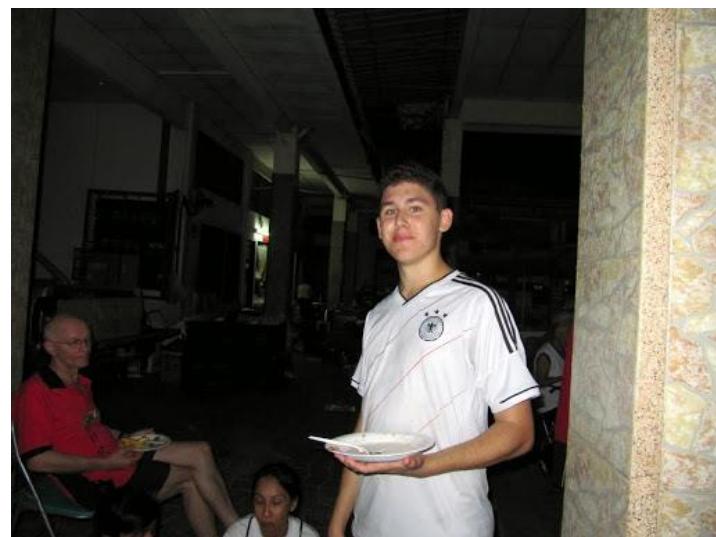

You will be a guest if you have not paid your subs by then!! So be warned!!
