GM'S NOTE:

RUN SITE – PANTAI SHAMROCK

Alexis, Edna, Ah Nee, Sai Seng and I went off to set the CNY Run in the morning and it was more or less the same route with some slight variation. The On Down was the same as the previous run from this site and so Sai Seng and Edna put more paper at the turn to prevent anyone landing up at Leader Garden as happened last time!!

After picking up Tobias later in the afternoon we arrived at the run site as others were organizing the cars to leave space for the Lion dance, fireworks and the spread of food. The pack went off on time to the sound of exploding firecrackers of which some were still going off after they entered the bush. The late comers came and soon disappeared after them with suitable “that way” instructions.

Then the business of food preparation was started in earnest as Datin arrived with a trunk full of goodies. Tables were put out and cookies and snacks were opened and eaten by those left behind, as the process of setting up the stove and heating soup began.

Goodyear returned in 35 mins soon followed by Manfred with the others following in dribs and drabs thereafter with the exception of Nick "Pimp" Morgan. Alexis drove in with the remaining food and a full sumptuous display was organized and the show began.

The God of Prosperity showed up handing out Ang Pows. There then followed a mini Lion Dance with Popeye and Olive Oil in attendance. Very well performed I can say and well done to one and all!!!!

The Yee Sang was stirred and tossed to loud cries of "Lou Sang" as more firecrackers exploded around us. Once eaten, the main food was served as the Hashers lined up. But Pimp had yet to return!!!!

The Organising Committee had not only arranged the food but had presented a CNY T-Shirt to all attending and looking around was a beautiful sea of red. The ever hungry Hashers came back for seconds and thirds as the beer (donated by GAB/Seng Hoe) and wine, (donated by our Chinese Members) started to flow. But still no sign of Pimp!!

Around 9pm strains of "Why was he born" could be heard starting up as a lonely figure trudged up the road. It was none other than Pimp, who believe it or not had followed wrong paper and ended up at..... LEADER GARDEN! With no phone on him he couldn't call anyone to go pick him up and hence had to walk back to the run site along the busy and not too safe road. At least he returned safe and unharmed. However after a beer or two and eating the food kept for him he relaxed and began to expound upon his adventure when anyone came by.

By now the crowd had expanded to 53 members and 1 guest who were busy enjoying themselves and still devouring food and guzzling beers when the circle was called.

A massive thank you to the Organising Committee headed by Alexis and supported by many others. A fabulous evening! One to remember!

CIRCLE TIME

1. Our single guest Tobias was welcomed for the evening's festivities.
2. As was the God of Prosperity who was also thanked for his generosity in giving out substantial Ang Pows! Great job Jaimey!
3. Grandma was next called out by the GM who then proceeded to enlighten the noisy pack about Rose's contribution to the Harriets over so many years and she was thanked for that wonderful contribution. "Hear Hear" could be heard all round at this. As a gesture of recognition, it was suggested by the GM that a Life Time Membership be bestowed upon both Rose and Richard and this was unanimously agreed by all. So many thanks to Rose and Richard for all your past contributions.
4. Pimp, now suitably refreshed after his adventure, was made to sit next and explain how, as there was so much paper laid, could he have followed the wrong one and ended up in another place altogether. He was lectured somewhat by the GM regarding his failure to carry a phone but at least he did have water and a torch!
5. The Lion Dance was both energetic and entertaining and hence our two star performers, Sai Seng and Vithia, were both thanked for their fine efforts.
6. These events do not happen by themselves and it takes a lot of work and organization by a number of people to make it very successful. The CNY Organising Committee and helpers were therefore asked

to come forward to be suitably and loudly thanked for all their efforts. This was certainly an evening to remember. Thank you all so much!

FUNNIES -

1. Handjob Three guys go to a ski lodge, and there aren't enough rooms, so they have to share a bed. In the middle of the night, the guy on the right wakes up and says, "I had this wild, vivid dream of getting a hand job!" The guy on the left wakes up, and unbelievably, he's had the same dream, too. Then the guy in the middle wakes up and says, "That's funny, I dreamed I was skiing!"

2. Flashlight A man and a woman started to have sex in the middle of a dark forest. After about 15 minutes of it, the man finally gets up and says, "Damn, I wish I had a flashlight!". The woman says, "Me too, you've been eating grass for the past ten minutes!"
