### **GM'S NOTE:**

#### **RUN SITE – TAR COLLEGE NEW RD**

The hot, hot weather had been everyone's favourite topic especially with fires breaking out in various places on Penang Hill. I was feeling fairly lethargic and reluctant to do the run and felt I would be extra slow and hold up Akz Hole. So I chickened out and stayed behind.

Hashers started warming up and we had 4 guests, Ben, Matt, W'Anchor and Chee Wei. To our great surprise Fancy Pants and Fancy Panties also arrived to a warm welcome and it is so nice to see them back once more!

Longhair announced the run and gave directions but the ever eager hashers were already heading out before he had finished speaking. From what I heard later of the run I would describe it as 'same wine, different bottle'!

As we chatted at the runsite , catching up with the latest gossip an hour had passed when the FRBs began to arrive back. There was the usual complaints of "too little" "too much" paper, "no clear signs to turn" etc. etc. But all were sweating profusely so they must have had a good workout, which is the essence of the run.

All seemed to have returned safely, although Iceman came back once again with blood streaming down. This time from his leg not his head as he had run foul of thorns which took a sizable chunk out of his calf. But it was soon realised that Fancy Pants had not returned. A quick phone call and it was found that somehow he was on a second round and was now turning round to head back down the pipe towards the pump house. After directions from the Hare he arrived back about 30 mins later after the walk from the PBA along the road. At some point too he had dropped his watch on the run but luckily Call Girl found it and passed it onto Frank for safe keeping. So all was well that ended well.

As the vegetarian food was eaten up and the beers began to flow we had our usual quick circle.

Many thanks Longhair for the run and the food. It was a nice evening.

## **CIRCLE TIME**

1. We welcomed the guests as usual. Matt and Ben doing the honours as W'anchor and Chee Wei had already left.
2. The GM then put Take Care on ice again, for no reason but just to keep up the growing tradition and he is a favourite target of hers.
3. Theo and Karin were then welcomed back. This is a short visit by their standards as it is only a month but it is always great to see them.
4. The January (since no one was around at the time) and February birthday members were then presented with the usual celebratory cake, delicious as always. Happy Birthday to you ALL!
5. The Hare of the Day, Longhair, was then thanked for his hosting of the evening. Thanks.

With that the circle was closed only to be re-opened about 10 mins later as the GM had forgotten to make a presentation.

6. Akz Hole was presented with his 300 run award from a forgetful GM. Well Done!
7. The GM was then obviously iced herself for forgetting such a thing and especially as it was her other half!!!

Don't forget the AGM is next week. The venue is Tenby School, Vale of Tempe. Ladies please try and be there at 5.30pm to participate and vote at the AGM. However you do have to be a FULLY paid up member to vote.

## **FUNNIES**

**Sometimes when I reflect back on all the wine I drink I feel ashamed. Then I look into the glass and think about the workers in the vineyards and all of their hopes and dreams. If I didn't drink this wine, they might be out of work and their dreams would be shattered. Then I say to myself, "It is better that I drink this wine and let their dreams come true than be selfish and worry about my liver."**
