## NEWSLETTER 2209

### GM's Note:

The atmosphere at Charlie Market were like scene at the Arrival Hall @ the Airport -- people were laughing, hugging, chit-chatting away.....So beautiful....especially so with 43 hashers and 5 guests around.

It was great seeing Sex Bitch and Gangrene at the runsite. It must have been more than 20 months now since they moved back to Sydney with the family. They are now back for a short holiday and running with their beloved Club-Harriets Penang!!!!!!

We welcomed back our long lost member- Endiran or Endi who has rejoined us back...

Please let our VGM knows if you are interested in joining -

PH4 Durian run on 21st june. Fees RM30  
PH4 4<sup>th</sup> Penang Rainforest Hash Challenge Run on 13th Dec 2014.

Burst 2014-06-05 run “Charlie Market”

Jawohl, what other choice you have when the GM ask you to write the burst, none.

Circle was called to order, and the usual bullshit was announced. By the way, our GM should consider enrolling into a voice enhancement / improvement course in order to get the attention more instantly she truly deserves. Tiny and perhaps Mini Sausage could share their tricks with the GM how to get a commanding.... voice or she simply could smoke and drink more the night before run days, maybe on hash account.

Next, the hare “Smiling Horse” announced his run; simple run, short to medium, open proper trails, one bar to avoid the bees.

So, off we go along the hash highway. Soon the paper went left into the hill on up, to my surprise the FRB where all still in slow gear, but waiting/ holding back for the right spot to shooting of. I myself was still with the FRB when we hit the bee bar, a funny new style of bar, but the bypass was for at least one runner to close, so she got a “first price sting” right away, I heard.

At the first wild boar pond the repositioning of the FRB started, Goodyear followed by Tiny and who else went into the bush never to be seen again, with the paper leading us left, shirting up the hill. Here I decided to wait for the sweepers, but had to move constantly around because the mosquitoes had a meeting there. So, after the late starters Iceman and Frank past by, up and down we go skirting up the hill, where are the proper trails we were promised. Half way up we meet Kali, with low profile gathering some would be SCB’s , we Viking & AML, Nick didn’t gave it a thought , brave to go all the way. Finally we hit the top of the mountain ridge and a very well traveled trail towards the red woods. Going down there where paper in two directions, we chose the shorter one. Reaching the hash high way, it was all the way home to the run site and beer wagon.

After all, a very good run, good food - thanks to “Smiling Horse”

Guests Welcomed- Peter, Jenny, Deom, Linda and David Green

Sex Bitch on the ice together with Gangrene and Pimp- they have one thing on common- fitter, lighter and in great shape. Well Done!!!!

Mini Sausage were invited to the ice throne because he has lately become a member of the "Dinner Club". Unlike in the old days when he would complete every run, every week without fail. Thanks to a knee injury problem which he is suffering now... Speedy recovery mate!!!!

Iceman charged Grasshopper for not following paper and doing his own run when he is supposedly to be sick.

June birthday babies on the ice- Renata(away in Poland),General,Pussy Whipped, Grandma, Black German, Mark, Sex bitch and Sammy..

Lastly, Hare were Thanked for a good run and food.....
