GM's Note:

We are finally shifting from the Northern to Eastern part of the terrain with a Stopover @ My Home ie Bee Gallery Well, what do one expect if it's a Virgin Hare's run??? Right Hand Drive was caught by surprise when the circle was called at 6pm to describe the run.

Due to work commitments, he didn't set the run nor did he know that he has to describe the run. He was then seen chatting with his co-hare in the middle of the circle.....Virgin Hare Indeed!!!!!!

Gispert Birthday Memorial run on 2nd August @ Quarry. Damage Rm70. Please sign up

Burst

This is the turn for the virgin hare Rajan @ the left hand drive`s run. Me (sai seng) ,James the silentman & Just Beer started the run setting at about 11am from the Bee Gallery towards across to the river bridge. We took a left turn to the way to the scout camp and started on in to the hill. We climb up and down skirting until we reached the real on up somewhere beside the Waterfall`s Lilly Pond. We go all the way with very tough on up to the roof of the hill then we make a right turn to begin the in down back. It took 2hrs15mins to finish the whole run setting . We ended it to the bridge where we started ... it's considered a short run for those front runner..
