GM's Note:

Running with FTAC members at the same runsite AGAIN??? Hopefully we won't be asked to leave this time. The aroma was so especially unpleasant at Stinky market on this very day that I had to apply "tiger balm" oil onto my nose just to keep the smell away.

I already knew that it's going to be a "confuse run" as the bunny had texted me couple of days earlier asking for hash papers. Before I could deliver the papers, she reply saying "never mind, we could use other chapter papers as well" Well, the rest is history!!!!

Please keep our runsite CLEAN!!!!!! Rm50 fine to those caught littering at runsite.

Bibi Tulip's Run:

Charlie's Market

By Call Girl

It was a big crowds at the run site when I turned up and realized that there's two chapter's run in the same run site. It was a FTAC run & us.

Just about to get ready for the run. I heard Uncle Bee nagging about Camel Toe abandoned the Camera and when off the bush with a FTAC group.

After the announcement from Mini a medium long run & we all off to the bush. After we when up to the hill for 10mins we got loss immediately. Me, Rupiah, Posh, Tieu La Seng stood on the middle of the open field & all we can see is the FTAC papers everywhere on the trees & floor. By the same time we also saw the FTAC puppies running up and down looked for the right direction and 40mins rounds and rounds and up and down eventually we still bumped in to the same group of FTAC. We decided to followed the FTAC papers to lead us back to our run site.

Before we started the run, I knew that Mini will f88cked this run up. Sure enough it happened! On Wednesday night we have a committee's meeting with PI chapter & when I left, Mini still stuck there with Wanchor & Giant Rabbit and I don't know how late they stay but the next day morning he need to set the run for Bibi. Maybe the alcohol still in Mini's tummy that's how he set the "Mabok's Run"

By the end of the run Good Year were the only one completed the run. Even though this is the f*&cked up run but everyone have a good sweat in the jungles & the best Dutch curry served by our Bunny.

Jokes of the day

1) An old man goes into Victoria's Secret and tells the salesperson behind the counter he needs a present for his wife. "See," explains the man, "It is my fiftieth wedding anniversary and I would like to get something pretty to surprise the little lady, if you know what I mean." When he gets home, his wife asks with a scowl on her face, "Where have you been?" "Surprise," says the old man and hands her a sexy tiny teddy. The wife rips it from his hand and takes it to the bathroom to try it on. She struggles to make it fit, but it is two sizes too small. She takes a long time in the bathroom and hopes her husband will lose interest and fall asleep because it is getting late into the evening. Finally she emerges from the bathroom with all the lights out. She is completely nude and pretends to model it in front of him. Her husband, still sitting up, squinting to try and see finally says, "For as much money I spent on it, they could of at least ironed out the wrinkles."

2) On a windy day, an old lady is standing on a street corner, holding on to her hat with both hands, even though her dress is flying up over her face. An old man across the street sees her and runs over. As he approaches her, he says, "Sister, you ought to be ashamed of yourself, standing over here in all this wind with your dress flying over your head, exposing your

paraphernalia, and you're holding that damn hat with both hands. You ought to be ashamed." She looked at him and said, "Look here, fool, everything down there is 80 years old, but this hat is brand new."

3) A man goes to his doctor complaining about migraines. His doctor tells him, "I also suffer from the same ailment. Every time I get one, I give my wife oral sex. When she has an orgasm, she tightens her legs around my head which gets rid of the pain. You should try it sometime." Two weeks later on a return visit, the patient tells his doctor, "Your suggestion worked and I'd like to tell you that you have a very nice house."
