NEWSLETTER 2223

GM's Note:

The atmosphere at Mt Pleasure was just perfect- fine weather, cars neatly parked on one side of the street and many returning from breaks Hashers were seen back in action.

The hare, who had earlier outsource the run to his cohares were looking nervous as they were nowhere to be seen.....which way in??? The usual "in" I guess. Just before 6pm. The hare left the runsite in search of the "in" to the start of the trail. The other half had to start the run when circle was called- Medium run with no checks! And the hungry pack of over 30 hashers were seen rushing to the start.

Next week run at Bonsai Runsite....it's aold runsite for many but new to newcomers. This runsite had banned hashers for many years as many chapters who ran there had left the place in such a mess that we were told to stay away by the committee. Many Thanks to Sai Seng who had obtained approval for next week run.....Please remember

-keep the Runsite CLEAN!!!!

-it's Sheltered but no lights. Please bring along your lamps or light (if you have) for the night.

Burst

Burst by Rupiah

It seems a bit crowd at the run site. I saw Tiny, Huge, Helmut and Renata also Gracie. They are just back from summer holiday in Europe. Glad to see you all guys again and welcome back. And quiet a numbers of guests.

When Gm called for circle but, we could not find the Hare Kissing(H)er where is he about? All of a sudden we heard very loud whisper that was from Kiss me to call the Hare. Ahh ha! It was works out well. It is sounds like Bob whispered Tiger when he could not find him in the jungle instead he goes and find him.

Since co hare (Sai Seng) announced is a medium to long. Well thinking of going all the way or find our own smart way? But then, Gm asked me to write the burst have no choice la.

After an hour walk I was still with Huge, Beauty Queen and one young couple holding hands, Eddy Phang and Silent man. When started on shirting up I met Edna, Philip (Tieu Na Seng), Chong Pok and Kissy(Japanese). Continued on up never end I passed Edna & others. Following in front of me is Eddy and up again on second hill. Gosh!!! day became fast dark we have to move fast. By the time we reached on the top and shirting down there was a bar then we turned back. But then, after in a few minutes we off paper we saw only Brats papers. We realized we went too far right instead of turning to the left back home. Eddy Phang encouraged me kept on moving. Well we decided keep on going follow by brats paper. Eventually we hit down to Leader Garden and we have to walk back to the run side. We were back on 20:20Pm that was a tough run.

After about 15minutes taxi came with 3 guys in the car Tieu Na Seng, Chong Pok and Kissy same story came down at Leader Garden.

At last Silent man, Beauty Queen and young couple Guest came out about 21:15Pm.. hopefully the new guest they will come again and not chicken out.

Thank you Hare for the Good run, Good Food and good bread.. not forget also to thank co Hare(Sai Seng) for helping and nice MOI(chicken porridge). Thank you Eddy for being my buddy in the jungle.

Jokes of the day

Shamus and Murphy fancied a pint or two but didn't have a lot of money between them; they could only raise the staggering sum of one Euro..

Murphy said "Hang on, I have an idea."

He went next door to the butcher's shop and came out with one large sausage.

Shamus said "Are you crazy? Now we don't have any money at all!"

Murphy replied, "Don't worry - just follow me."

He went into the pub where he immediately ordered two pints of Guinness and two glasses of Jamieson Whisky.

Shamus said "Now you've lost it. Do you know how much trouble we will be in? We haven't got any money!!"

Murphy replied, with a smile. "Don't worry; I have a plan, Cheers!"

They downed their Drinks. Murphy said, "OK, I'll stick the sausage through my zipper and you go on your knees and put it in your mouth."

The barman noticed them, went berserk, and threw them out.

They continued this, pub after pub, getting more and more drunk, all for free.

At the tenth pub Shamus said "Murphy - I don't think I can do any more of this. I'm drunk and my knees are killing me!"

Murphy said, "How do you think I feel? I can't even remember which pub I lost the sausage in."
