GM's Note:

For many, Bayee pass runsite is such a distant place that one has to carpool to get there (keeping in mind the recent hike in petrol prices). I had to pick Cameltoe, Datin, Hairdo and Hot lips on the way.

Nearing Air Itam market, Cameltoe suggested stopping by for a bowl of the Famous Air Itamlaksa....a mistake indeed cos' it wasn't the authentic taste like it use to be and the "water/juice" (pls read the on down's note) was too diluted and Rm4 for a bowl is just too expensive to consume.....

Arriving at the runsite, many hashers had arrived and getting ready for the weekly work out. Around 35 hashers ad 3 guests were recorded. Not too bad for such a far off runsite.

Many had complain of a Thorny run with pricks here and there but nevertheless all returned safely with the last few ones out before 8pm....on..on

Joint hash ball tickets are on sale..pls get yours ASAP before it's too late.

We urgently needs donations, hash acts and your participation to make this Event a memorable one....pls help YOUR CLUB!!!!

Burst

Burst Bayee Pass 09-10-2014

Today was one of these days which you can have in your life. The GM ask you to write the burst while you actually only come to drink beer. I guess its her way to reward you to bring a couple as guests.

The website of the Harriets has all contact numbers of the committee members but they can't be found by normal civilians you need to be a hashman to find them, hence the visitors are calling the webmaster of PH3 to inquire about the run.

As I'm a bachelor at the moment and have enough time on my hand I decided to pick up the Guests myself and show them a bit of the island by going the back way over Teluk Bahang to Bayee Pass.

The guest originated from Iceland but living in Kuwait where very eager to experience the hash in Penang. After I told them that we are running trough the jungle off track the lady bailed out immediately and the man was hesitating to go for the full run.

I left them in the good hands of our GM and then the run could start after some announcements over a hash ball and donations/sponsoring.

As I was asked to write the burst I needed to know something about the run it self.

The easiest way is to ask the hare but he himself didn't know how the run would go and what it looked like. I decided to follow the frontrunners on my slippers and it was for the first few kilometers ok as the run was on a concrete road. When we came to the bar the Frontrunners just broke it so I had all the time in the world to relay the paper. By that time Iceman caught up with me and I showed him a walking bar. The run went further up the hili and veered of to the left into the jungle.

By this time it was the right moment for me to call it a day and I returned to the runsite to follow my initial plan of drinking beer.

I took a while before the first runners came out but at the end it was around 8 when the last runners inclusive the hare/sweeper returned back to the beer wagon. As I needed to prepare myself for the Octoberfest the next day I left before the circle but you will see the pictures from cameltoe further up in this newsletter. Ali in all the general comment was a good run and good home cook food

Itchybai iced Call girl for bringing a young pimp back from the run instead of the original pimp. Uncle bee joined Call girl on the ice as she had mistakenly identifying guest Andri as Pimp.

Hot lips, Datin and Hairdo next, label as “SisterAct” as they usually wears the identical hash t-shirts on every run. They were then ask to contribute one hash act at the upcoming Joint hash ball

Hare duly Thanked for a thorny run and good food

Datin next, for celebrating her birthday with us “Happy Birthday from all of us”
