

# THE PASSING OF A LEGEND

**PAUL MONTFORD @ MONTY PYTHON**

**1936-2014**

## **A Personal Tribute**

As most will know Monty passed away on the 16<sup>th</sup> November 2014 and his funeral service on the 20<sup>th</sup> November was with his dearly beloved family and Hash friends present. His ashes will be scattered at the Haunted House on Monday 24<sup>th</sup> November as a fitting and last wish of a true hashing legend.

I first met Monty some 15 years ago. An intelligent man who told me it was a smart move to 'buy' his wife with a dowry of cows and goats but who went on to use that same mind with logic, determination and his innate stubbornness, to fight his greatest adversary, cancer. I have never met anyone with such determination and who learned so much about his condition that he was able to converse with specialist doctors at their level and to pretty much prescribe his own treatment even down to the use of female hormones.

A truly amazing man who was funny, opinionated, stubborn! Was always right in an argument no matter what you said but also a graceful and generous host. I loved looking at the array of nude pictures hung within his apartment. Some lovely artistic poses and I believe this is where he got the idea to form a nude alphabet and print the T-shirt he gave us all and which will now become a collector's item no doubt! He often told me he had a hash T-shirt for everyday of the year without wearing the same one twice and it's true.

There is so much to say about Monty but I will just say this: Bum Titty, Bum Titty, Bum Titty Bum!

Rest in Peace Monty. My friend!

From your Lady J.

### **GM'S NOTE:**

#### **RUN SITE – BKT GAMBIR**

Bukit Gambir will soon become another “not an ideal runsite for hashers” in view of the tremendous developments going on and around it.

A smaller than usual crowd of 26+ hashers turned up for Pole Dancer’s run at the top of the hill. Note- some hashers have gone to Medan to join the Horas Hash which is happening this weekend. The short to medium run saw the 1<sup>st</sup> runner out within 40mins and the last batch within an hour and a half. Excellent varieties of western cuisine were served by the bunny and many had 2<sup>nd</sup> or 3<sup>rd</sup> helpings. Many thanks for the excellent food.....

Xmas run this year comes early – 11<sup>th</sup> Dec @ Beverly Hills. Please pay me your contributions next week. Hosts for Xmas run – Gman and G-String. Guest fees will be RM30.

Our On Cash (Speedhound) will be away on holidays from mid Dec to early Jan. please pay her your subs before she goes on holiday.

Speedy Recovery to Mini Sausage who recently had shoulder surgery.

### **BURST**

Today was a funeral for our veteran hasher Monty Python . There were about 30 people who came to pay their last respects to him, mostly senior hashers . After the short prayers by the priest, the body was taken in procession to crematorium.

In the evening it seemed not a good turnout for today's run. I think less than 20 hashers came for the run, which was a shame. After the GM made some announcement and mourning, everybody headed to the usual trail behind the Chinese Temple . It was a medium run, with the last runners Mother Hen and Silent Man coming out at 7.35pm

## **FUNNIES**

Shamus and Murphy fancied a pint or two but didn't have a lot of money between them; they could only raise the staggering sum of one Euro..

Murphy said "Hang on, I have an idea."

He went next door to the butcher's shop and came out with one large sausage.

Shamus said "Are you crazy? Now we don't have any money at all!"

Murphy replied, "Don't worry - just follow me."

He went into the pub where he immediately ordered two pints of Guinness and two glasses of Jamieson Whisky.

Shamus said "Now you've lost it. Do you know how much trouble we will be in? We haven't got any money!!"

Murphy replied, with a smile. "Don't worry; I have a plan, Cheers!"

They downed their Drinks. Murphy said, "OK, I'll stick the sausage through my zipper and you go on your knees and put it in your mouth."

The barman noticed them, went berserk, and threw them out.

They continued this, pub after pub, getting more and more drunk all for free.

At the tenth pub Shamus said "Murphy - I don't think I can do any more of this. I'm drunk and me knees are killing me!"

Murphy said, "How do you think I feel? I can't even remember which pub I lost the sausage in."
