### GM's Note

Sai Seng sms to seek Help on setting Pimp's run at Chin Farm on Wed.as I have reminded him Again and AGAIN NEVER to set run ALONE....Pimp who was suppose to be the cohore was down with a flu. The First person which came to my mind was Mother Hen as she is always ready to assist in any situation...Thank you! I was later informed that Silentman, Harry (Pimp's son) and Justbeerwas going in with Sai Seng. Did Justbeer "melt" while setting it at 1pm? I asked.....

Have you paid your 2015 Hash Subs yet? If not, you have to pay guest fees from next week onwards. Our Club needs your Subs in order to organize and make plans for the coming year.

Guest fees for our AGM and CNY run which falls on 5<sup>th</sup> and 12<sup>th</sup> Mar will be RM50 respectively.

Hare: Pimp

Scribe: Tiny

As it is coming up for Chinese New Year, it was the expected stinking hot day. We all managed to park our cars in a reasonable way even though the space is restricted (Hashers must be getting brighter or perhaps just more thoughtful)

The circle was called, GM introduced the guests and we were told the run was short to medium and there was no need for anyone to short cut.

We all started sauntering off along the main road. Even Goodyear and Manfred were in no hurry at this point. We soon turned off to the right and had to trudge through long reedlike grass which tended to hide the holes, rocks and junk so the speed was still snailish. We climbed up a little ridge to the right where the territory opened up and Goodyear and Money Manfred shot off never to be seen again.

We turned to the left and the uphill climb started. The recent past has seen relentless rain and very wet trails but today the trail was so dry that the sand and grit on the surface seemed like ice on a skating rink. However we gnashed our teeth and clambered up and up until we got to the top. The sigh of relief was much too soon.

The on down trail was just as slippery and often devoid of vegetation making it hard to remain upright. The little vegetation there was, seemed to consist of wily vines that had the knack of wrapping themselves round ankles and remaining firmly in place. However, we were soon back on the main track and just a little further on, the welcome sight of Sai Seng's cold beer.

As it was a short run all the hashers were back in the light. Huge was sitting on a chair behind his car, leaning forward with a large plastic bag in his hand. Iceman was heard to comment, "He looks like a man in an aeroplane with a sick bag!"

Many thanks to Pimp and Sai Seng for the run and to Call Girl for the brilliant food.
