### GM's Note

Next week run (1<sup>st</sup> day of the Chinese Lunar New Year) starts at 5pm from the Quarry. Please let the Bunny (Justbeer) know if you are attending the run so that she can prepare sufficient food for those attending...TerimaKasih

Do you have anyone in mind who you think can help run our Club from next month onwards?

Please make proposals during the upcoming AGM on 5<sup>th</sup> March. Remember, the election of the new committee starts at 5.30pm and a sit down dinner at Whitebeach Restaurant after the run and circle. Please let me know if you are attending the dinner ASAP.

Happy Chinese New Year of the Goat To All.....!!!!!!

Burst for Harriets

Date; 12 February 2015

Run Site; Mount Pleasure

Bunny; Hot and Spicy.

This run site has many merits, its off the road, it has shelter, and it has water for washing. What it does not have is a lot of parking, but with some care the hashers can all park without blocking access for the residents. Let's not lose another good run site by being difficult.

Another problem with this run site for me is, it is far far away. Arriving well after 6pm, the GM took my keys and pointed in the direction of the Indian temple. Off i went, and the trail went to the left of the temple and soon it was steeply rising through the bamboo forest.

Coming to a ridge and exiting the bamboos, the paper went to the right, and then hair pinned to the left and on up for a bit, then down for a bit, and I realized I was heading back into the bamboos and was looking down to the trail I had just come up. After one round of the circle, and a bit of searching the proper paper was going up.

The on up remained steep, and soon the sweeper, Silent James, Edna, Beauty Queen, a Guest and Philip Thomas were found taking a breather, and a chat.

On up continued, always very steep. But eventually the on down began, but it was a long while before Fancy Pants came into view. Still wearing-in his new knees, he allowed me to pass. Going on down was easy enough, and eventually met Viking creeping under a bush on the trail. Tiny and Ax Hole were the last hashers still on the trail but Speed Hound, Good Year and Take Care were at the run site cooling down, drinking beer and shooting the breeze.

A good run, followed by appropriately hot and spicy food.

## On On's

Guests Welcomed- Kulwant and Itchybai

Goodyear who recently became a pro Movie Star next on the ice....Now, we know WHO we can seek help from for our NEXT HASH BALL

Justbeer next for always labelling Tiger Beers as “Cheap beers” and would only drink German Wheat beer instead..Good news to those attending her run next week cos our Beerman will be bringing German beers for sale at the runsite. Bring extra cash or will the Bunny be buying???

Tiny iced Gman for doing the Spring Cleaning of the house for CNY instead of the wife..Does this type of men still exist??? BRAVO!!!

Tiu Nia Seng for showing off his naked top body after Hash run and that according to Tiny turns the Harriets on.

Goodyear iced Polish pipper (Pp) and beerman Sammy for being friends AGAIN after a lapse of 3 years on “non talking terms”. So GY will be expecting free beers from Pp for the next 3 years..on..on

Take care being warned not to spoilt our “dream” runsite (ie with lights, shelter and water) by being the sole motorist parking on the other side of the road instead of in one stretch. Be careful!!!

Bunny and Hare Thanked for a good slippery run and homecooked food...
