## **NEWSLETTER 2246**

### **GM's Note**

(out-sourced to Tiny it being CNY)

As it was the first day of Chinese New Year I did have the foresight to leave home early but as always when one has the sense to prepare there is never a problem! I arrived at the quarry at 4.25 and was totally gobsmacked to find a barricade across the road half way up. I parked the car and the usual early arrivals such as Money Manfred had no information regarding any changes so we hung around with intent and left Itchy to go in and negotiate the fact that the beer lorry and a few privileged cars would be able to enter. The Bunny arrived and there was a sigh of relief that the site had not changed and we didn't have to decamp.

In the initial circle there were twenty members and five guests. After the usual preamble the Bunny told us that the run was very, very short and you could do it twice if you found it lacking. It being a stinking hot afternoon and no sign of the heat abating there was a definite understated 'Oh Yeah!'

During the course of the evening various people dropped by to say 'Hi'. Geeman and G-string came dressed to the nines and made the rest of us feel like winos. Nee, Kali, Rupiah and Sai Seng came to swell the numbers.

## Bunny of the Day

Just Beer

(or perhaps it should be Just Wine now!!!!)

**THANKS FOR FANTASTIC FOOD, GOOD RUN AND GREAT PARTY NIGHT!!**

## Burst

Date: 19 February 2015  
Run Site: Quarry, Botanical Gardens  
Bunny: JustBeer.  
Scribe: Fancy Pants

Arriving at the runsite the car park was partly blocked due to the construction of loud speakers for a music event. The Bunny had a quick explanation that it was all in preparation of the after-run event!!

Just Beer knew little about the run and so Akz Hole made the announcement (do it in your English the Bunny requested). The paper starts beyond the PBA and off we went after some more info from Tiny who was apparently representing the GM who did not show her face.

As we were told the run was short but challenging, we walked the long way up to the PBA in the Botanical Gardens and believe it or not, the paper was found as described.

A moderate on up brought us through the remains of jungle around the Botanical Gardens until we reached an altitude of some 200m. Easy jogging led us to the other quarry which is still active and along

the Hash highway. The challenge was yet ahead when the paper turned right up and then down to Lily Pond. Indeed a short run with some challenges.

Arriving back at the runsite the front runners, non-runners and Bunny could already be seen in good mood, drinking red wine and free beer for each on arrival. "Let the party start" was the motto and everyone got into festive mood as CNY started on this particular day, which explains the absence of most of our Chinese friends.

A great party on CNY day and now a burst as short as the run!!

## Circle

The First charge was for the guests, Moira – Penangite but works in Singapore, Jean from the US, Golden Cock and Itchi Bai. Golden Cock had already gone and Itchi was hiding.

Nisha – ex-Harriet was hiding too but some eagle eye spotted her and she was afforded a lovely welcome once again.

The next charge was for the Chinese to wish them Happy New Year and Health and Prosperity for the  
**Year of the Goat**

**We then charged Helmut and Renata who drove all the way across the bridge but decided the weather demanded them to sit and relax so they guarded the beer for us while we ran.**

**A charge for Pussy Whipped followed. He has really built his fitness level up but is so polite when passing a Harriet. Hence the name??**

**There's no escaping the ice. Itchi duly made his appearance "ON ICE" and although he is not a Harriet member he really helps out in a crisis. Thanks Itchi!**

**As a GM you'd think Iceman would know better than to bring new shoes to a run. But Mem Sahib saw and charged him accordingly. However he had squirreled the shoes away so we couldn't christen them.**

**Money Manfred charged Tiny next. He said she had really slowed down and one of the reasons was she was too lazy to go and buy a new pouch so was weighed down by an inappropriate bag.**

**Who said Hashers were only interested in beer and have no brains?? The guest Jean showed otherwise and readout a poem to Hashers. See below for the text.**

**Lastly the Bunny was called in but as she had drunk a vast quantity of wine she couldn't make it to the ice so we had Akz Hole stand in for her. It was deemed a great run, the food delicious and the site fantastic.**

**Many thanks to Jes and Mike for a superb evening and especially for the free beers for the men and the wine for the ladies – really appreciated!**

## THE HASHING

Our Hash Group has a lot of fun  
Hiking hills sometimes even at a run.  
But our true purpose is camaraderie  
Among like souls desiring to nature be.

We are simple and caring folks  
We like to sing and tell bawdy jokes  
While member sits on bag of ice  
That freezes ass- that is not so nice

However, having once endured  
Shame and ridicule does assure  
The Hash member that reward is near  
In the form of flowing beer.

So let's drink to fun and glory be  
Found in frogs, temples and lovely tree  
That gives song and grace to the trail  
So Hash members will not fail

In their quest to search for peace  
Found in nature with such ease  
For the green energy does abound  
And does not need to be found

For every bush and every tree  
Calms the mind so we can be  
Regenerated and renewed  
To tackle job the week through  
So let's drink to you, and you and you

For taking challenge and climbing hills  
Even though the heat instills  
In one's mind that the trail is hard  
That it is difficult, thus does impart

Thoughts of giving up and turning back  
And never completing the task  
But all of us stayed till the end  
So let's drink to that, let the merriment begin.

# FUNNIES

## PEEING ON MY FLOWERS

A little old lady was walking down the street  
dragging two large plastic garbage bags behind her. One of the bags was ripped  
and every once in a while a £20 note fell out onto the pavement.  
Noticing this, a policeman stopped her, and said,  
"Ma'am, there are £20 notes falling out of that bag."

"Oh, really? Darn it!" said the little old lady.  
"I'd better go back and see if I can find them.  
Thanks for telling me officer".

"Well, now, not so fast," said the cop. Where did  
you get all that money? You didn't steal it, did you?"

"Oh, no, no", said the old lady. "You see, my back garden is right next  
To a Golf course. A lot of Golfers come and pee through a knot hole in  
my Fence, right into my flower display It used to really tick me off.  
Kills the Flowers, you know. Then I thought, 'why not make the best of it?'

So, now, I stand behind the fence by the knot hole, real quiet, with my  
Hedge clippers. Every time some guy sticks his thing through my fence,  
I Surprise him, grab hold of it and say, 'O.K., mate! Give me £20, or off it comes.'

"Well, that seems only fair," said the cop laughing. "OK. Good luck!  
Oh, by the way, what's in the other bag?"

"Not everybody pays."
