### GM's Notes

Longhair came late on Wednesday night (just after everything was locked up for the night...great timing) regarding his run and to get more staples!! He had set the run the previous Sunday but in between it had rained heavily on Monday and Tuesday plus 2 other Chapters had had their run at Youth Park, so he wanted to go and recheck the paper.

I said I would go too but he couldn't make it for the time and so I decided to 'go it alone' earlier on Thursday afternoon. True enough I couldn't find any Harriets paper at all. He called me as he had seen my car and I told him about the lack of paper. Since I didn't know where he wanted to have the 'On In' I decided to head up the concrete track and headed towards the lemongrass trail. Still no paper to be seen!! Being dressed for a hike I therefore went on up to the lemongrass, then down the bank on the right, across the stream and exited opposite the big rock on the concrete path once more. Not once did I see any Harriets' paper, so the evening route certainly didn't go my way.

When I arrived with Akz Hole at the runsite in the evening only Smiling Horse was there. But soon the others began to arrive and before the off we had quite a number of members present but unfortunately

not many runners. After Longhair gave out that the run was a medium to long run and to follow only his paper, off the pack went. All 10 of them! There was more left at the runsite than on the run!!

GoodYear came back in one hour 20 but admitted he didn't do the whole run. Tiny followed soon after but she also followed wrong paper. Then the usual back runners led by Silentman emerged leaving 3 runners still out.

SpeedHound and General then returned raving about the run. It was long but very good. That left one runner still to appear as Akz Hole was still out there somewhere! Time ticked by but not long after 8.00pm a lone torchlight appeared on the hill above and Akz Hole, dripping in sweat finally appeared, one of only three runners on the night to do the complete run!! Nevertheless many of the night's members did do something whether it was a leisurely stroll to the flower show or walk up the hill, some exercise was achieved, so well done to all.

Thank you to Longhair for the very good run (I will do it another day since AH has logged it on GPS) and the food.

Thanks also to Call Girl for providing the delicious cakes.

Next week we are 'across the water' at Bkt Kawan, for Polish Piper's run. Please make every effort to attend as Helmut faithfully attends all runs on the Island when he is in the country! There is a map to show you the way.

## **Circle**

1. GoodYear brought his family along and so we welcomed them.
2. Akz Hole was next and was charged by the GM for not following orders to do what she said and that he did the whole run instead!!
3. Polish Piper was then charged by GoodYear for having no hash shirt. Someone also spotted Rupiah was also similarly attired and so she too was charged.
4. Mem Sahib was charged by the GM for being too busy buying durian plants to feed the Hash in 5 years time and telling everyone about it at circle time.
5. Polish Piper was then re-charged by GoodYear. In the intervening time from his first icing he improvised a hash shirt by writing on a piece of paper "Hash Shirt" and putting it in his pocket!!  
**CLEVER!!!**
6. Longhair was the given the packs' thanks for a great run and food and thanks to Call Girl for her contribution too.
7. There were two presentations on the night:
  - a. GoodYear was rewarded for completing 400 runs.
  - b. The GM, Justbeer, was rewarded for completing 500 runs. (She tried to keep it quiet but Akz Hole spilled the beans!!)

Congratulations to you both.
