GM's Notes

Jennifer joined Sai Seng and me for run setting on Thursday. She had injured her leg and was slow thus she wanted to set rather than have to do the run in the evening, this being her second run with us. Suaran was held up and so the three of us went ahead and after going 'On In' in the corner and going down the bank, we turned right at the bottom and down another slope instead of turning left and climbing up to the dam. However I didn't get far!! There was a very fine net strung out amongst the branches to catch birds. It caught a bird alright, ME!! I just didn't see it and walked straight into it, getting myself entangled and couldn't get out without help. Fortunately my two co-hares, after laughing their heads off and making all sorts of bird jokes, extricated me and we carried on. We were heading towards a stream with mossy stones when Jennifer realised she had lost her phone. Sai Seng went to help look for it and by ringing it they soon located it on the trail.

We headed up a steep bank on to a ledge and then started skirting. Up and down the hill we went and then Suaran caught us up. We kept going down and found boulders precariously perched on ledges, some even looking like table tops. After climbing up once again we turned on to a tar road. I was somewhat confused when told it was leading to the dam but they didn't tell me it was a different tar road than the one I thought it was!!

We came across a Chinese Temple and the men there were curious about Jennifer and my dirty bums!! Then we started climbing again up and up and ultimately arrived at the playground by the side of the dam itself. This was Jennifer's first run at the dam and she quite enjoyed it I am happy to say.

When Mike and I arrived in the evening we were pleasantly surprised to see quite a number of cars already there and people sitting around chatting. Goh Peh Si, a guest, was also there together with his friend and our member Jonny Lee. If Jonny ever turns up it is because it's a holiday and so it was great to see him once again.

The sun was still hot and shining as the pack gathered, listened to the few words from the hare and then loped off towards the corner. The first runners out were Goodyear and Gman in about 45 mins. Not long after Iceman arrived and after that Money. Of interest though was the fact the runners were coming out from different points. Goodyear and Gman came from the Dam whilst Iceman came back up the road having exited at the corner once again. And so it seemed to be true for the rest of the returning pack as some came from the dam and other from the corner. Someone somewhere wasn't following paper!!!!

The evening was quite balmy after the sun went down and as all the runners returned within the light we settled down to good food of Chicken Curry, Fish, veggies, rice and poppadums.

It was amazing sitting there through the evening to see how popular the dam is. Not only with cars going by, plenty of motorbikes and even walkers but dozens and dozens of cyclists with their up to date high tech bikes, bright lights and colourful clothing. It was quite a sight.

Thanks to Bai Pass for the great run and food and to all the members for coming to support him on a holiday.

We had our usual short and sweet circle after which the members started to make their way back home except for a hardened few who stayed until late. It was a good job too as a number of the cars were wheel spinning on the soggy ground and need a push and shove to get them back on the road again. Even Samy has some problems too!! The last to leave were Mike and yours truly and thank goodness we had no issues with the ground thanks to the 4WD.

Circle

1. Welcome the guests, Jennifer (a different Jennifer, this was Michelle's friend) and Goh Peh Si.
2. Dieu Lah Sing was next iced for not reading the newsletter for more than a month and going to the wrong run site in the beginning!! Had he read the newsletter it would have told him about the change!!! A warning to you all. READ THE NEWSLETTER!!
3. Member Jennifer was then iced for being MIA for far too long!!
4. Similarly,

5. it is always an occasion when Pussyfoot @ Jonny Lee turns up. He has been a member since 2000 but has yet to complete 100 runs. He still has about 20 to go but only runs about twice a year!! Another 10 years yet then!!
6. A charge from the floor by Iceman saw Goodyear on the ice. As all know GY likes to shortcut however Iceman reported that they had just got to the corner at the start when he was ALREADY looking for a shortcut somewhere. Now we know why they came back from the dam!!!
7. Last but not least the hare of the day, Bai Pass @ Dr. Suaran was duly thanked for the food and the good run.

Next week we are at Youth Park New Car Park for Call Girl's run. Please come and support.
