VGM's Notes

We had a wonderful weather with a beautiful waterfall back drop. It was the usually crowd with 30 runners with one guest. Welcome Alice.

Burst by VGM

I was 20 minutes late to reach the run site. The traffic was really bad. Ice man started off the circle and announced as long and if you want a medium run turn back once you reach the top. I was told Iceman and I Yan took 6hours to set the run. Oh No.

I was about to take off Longhair came. So we decided to go in together. As we went in by the badminton court we could see papers. We reached one point where we caught up with Nee,Edna and Pupiah. It was a pleasant up. We moved on for about another 20 minutes to the top and decided to turn back, we had no touch or hand phone. Glad we did not go all the way as the front runner came in after 7.30pm. It's a pity only 4 runners completed the whole run. Sabaas .Very special thanks to Iceman and I Yan for helping to set the run.

Not forgetting the bunny for giving us a verity of food. Thank you so much Molly.
