### VGM's Notes

We had a wet wet Thursday and I was thinking not many people will turn. Sure enough only about 20 over people turned up for the start of the run. But nowhere to be seen was the bunny. So we decided to call the circle and welcome the paid guest Graham. As we were about to start the run the bunny showed up. Oh the bunny is here. It was a shame she does know anything about the run, she was in charge of food only.

Ok then we decided to find the paper by our self.

A few of the front runners went the usual way to the garden, left, right, Moon Gate. Nothing! Meanwhile Fancy Pants manage to call Sai Seng and got the information. It was opposite the surau. Thank God. About 15 minutes was gone before getting onto the trail. It was a slippery up between the moon gate path. We went all the way to number 5 and down by Youth Park. The papers were hard to see due to the rain. Any way it was a good workout for the day. I was surprised to see so many people joining the dinner club though later in the evening.

### Circle

1. The one and only paid guest. Welcome Graham.
2. All the non-paying guests of the bunny.
3. Bunny on Ice. Didn't know anything about the run. She was more interested in the food only. A true Malaysian.
4. Welcome home GM and Akz Hole.
5. Speed Hound again - One man show of the past 3 weeks!! No GM. No ON SEX, No HASH CASH.

(Thank You to all members who were supporting me one way or other. On.on. SH)

6. Hot and Spicy was charged with not being around when the GM was here but turned up when not here. When asked why she replied she was now looking for men. At this Spermwhale jumped in to comfort her while on the ice!!
7. Bunny - Thanks for the noodle and fried chicken and for organising the run. Not forgetting one Tiger Beer for those who did the run ONLY. Thanks for everything Michelle, it was a good night.
