GM's Note

Huge is an expert on the trails starting from Mount Pleasure but that has not stopped him getting lost on a few occasions. The runsite is close to his home and as he recces in advance, the hashers usually get good value for their time. But with the advent of more 'progress' the buildings are creeping evermore into the bush causing it to become more and more difficult to get to and from the trails.

As the blue painted gate next to the Indian Shrine was padlocked, the only way in was through the drain. As usual I was right at the back with only Silentman as company as the others had sped on once out of the drain and on the other side. After about 45 mins, noise behind us revealed Iceman and Longhair catching up and passing, neither blowing hard as I struggled up and fell down upon the muddy hill. Then it was torch time as the darkness descended. Fortunately the 'On Down' was an easy familiar path except for two places where it was hard to get down due to lack of support on the steep slippery slopes. It seemed unending and even though the lights from the apartments shone brightly meaning the end was near it still seemed to go on and on. Finally though, after another 5 mins, we exited onto the tarmac roadway and back to the runsite.

Even though we have run from here many times it never fails to give one an excellent workout and sweat. So many thanks to Huge for keeping up the tradition and for the good food.

Circle

1. There was one guest this week, Swollen Colon who was here visiting from Phuket. He has apparently run in Penang before and is an ex GM of one of the Phuket Chapters.
2. Charge from the floor saw Posh and Sai Seng hit the ice for having No hash T-shirt.
3. Marks and Spencer then charged money with being 'wind assisted' on the run. His rear propulsions helping to push him up the slopes!!
4. Many thanks to Hugh for hosting another good Harriet evening.

ALWAYS CHECK THE RUN SITE BEFOREHAND AS THERE MAY BE LAST MINUTE CHANGES
