VGM's Notes

It was pissing down when I reached the dam. A very small turnout when the circle was called there were just 12 members and one guest (Peter Fuck). Special note: Steven Oliver aka Spermwhale, was there before the circle even started! I was a bit reluctant to go in but Fake motivated me and I decided to go in; off I went to put on my shoes. The circle was called and the Hare announced the run as medium-to-short (ie, better than short-to-medium) with no checks at all. He did not know about the distance as the GM set the run. So we thought oh, okay, then it will be a short run. Off we went – two girls and five guys. We took the usual way down across the dam and then skirted the playground. We went in off the main trail and then up, up, up; there was no end to it. It was wet and sooo slippery all the way. It was a BS short run: aka a long run lah. The first runner was in at 1 hour 15 minutes and myself 15 minutes later. When I was back I told the Hare it was long. You know what he told me? It was long because of the rain! Never trust the Hare. Tiny had to do extra as she missed the last turning and went all the way to the bottom of the hill, began to run back up the road when she met Hare M&S in his car. To my surprise, I was happy to see more Dinner Club members turn up to help finish the food. No circle was called as it was too wet and the members were busy pushing cars out of the mud. Many thanks to Mark for good run and good food.
