GM's Notes

Akz Hole, who had taken the day off, was my co-hare for the day as my usual partner Sai Seng was out of town. It was a hot afternoon as we lazily set the short to medium run (4.6KM) up through Holland Chun, right towards Lily pond only to swing back again along the hash highway and down towards the waterfall before coming out at the fence by the PBA. The 'On In' and 'On Out' being separated by a mere 50 meters! Just as we exited, Money and Tiny were looking for the 'On In' as they wanted to do the run early as they had plans for the evening, it being New Year's Eve.

Somewhere on the 'On Down' I had dropped Akz Hole's walking stick and so he went back up the hill to try and retrieve it but to no avail. It took him about 35 mins to go back up and down the hill and by the time he bumped in Huge and Yo strolling around the Botanical Gardens, Money and Tiny passed them jogging down the path and back to the Quarry having completed the whole run in about 50 mins. So not a bad trail!!

The cool evening saw the faithful gathered to do yet another Thursday run. Being the last day of the year many had plans for the evening and some were put off by the potential of being caught in the

same type of traffic jams we saw last week on Christmas Eve. So the pack was smallish (27 members and 2 guests) but the atmosphere was jovial and relaxed. It was good to see Dieu Lah Sing also attend as he has been MIA since September with back problems. The fit and fitter ones came for a sweaty workout, while others did their usual walk and others sat and chatted at the runsite.

The Club sponsored T-shirts were given out as were reminders for paying the subs. The food was simple beehoon, chicken and fried fish which seemed to go down well with everyone. Guest Inspector Gadget had brought along a bottle of vodka and many used it to make a delicious punch with orange juice (ask the On Sex about how good it tasted). Kiss Me had baked a delicious cake and it wasn't long before that too had disappeared. We had our usual short circle with Ronnie Tour in fine voice.

Everyone sat around in the cool evening temperature chatting and drinking and even a slight few rain drops, which thankfully came to nothing, did not spoil the great camaraderie of the evening. Finally Samy packed up the beerwagon having a party to go to and the others also packed up and started to make their way to their other functions to see in the New Year.

So I wish you all a **VERY HAPPY and HEALTHY 2016**

Circle

Welcome to guests Sue–Kim and Inspector Gadget. Gadget took the ice throne and we also thank him for the vodka.

The GM then put Akz Hole on the ice for being the co-hare for the day. Thanks!

The GM then charged Eddy Punk with not wearing the new hash T-shirt she had just given him.

Although it had no reference to the evening, Ronnie Tour charged Speedhound with being at No5 and exercising on the equipment with all the kids earlier in the week.

The last run of the year and the last monthly celebration for the birthday babes. This time being December of course. Unfortunately only Molly and Kim Looi were present but as always we wish All December Members a HAPPY BIRTHDAY.

And talking of December birthdays at the beginning of the month Molly and Kim Looi's photos got mixed up and so the GM put the On Sex on ice as punishment for not recognising the gaff!

It has been rare this year to have all 4 Committee members at the run but it was fitting that the last run of the year was organised by the Committee and the gathered members showed their appreciation not only for the evening but for their hard work in running the Club this year. Thank You from us all.

**2016 Subs are now due. Please don't expect the On Cash to chase you.
Do the right thing and seek her out to pay!!**
