### GM's Notes

On behalf of the Club we send our condolences to Frank and Cheng on the passing away of Frank's father. Our thoughts are with you.

Hot, dry days are here again and you have got to have the feet of a billy goat to climb some of the slopes. It is also the season for bees, wasps and hornets as I found to my cost. I was unfortunate to get stung on my pinky finger and on my thigh causing both my hand and leg to swell up during the course of the day. Even though Sai Seng then put a bar to protect the later runners, Rosalind still got stung! However the bees seemed to have avoided the guys even though many were hoping for a swelling in a place that would impress someone!!

The Bunny, Anal Probe, was held up on the way from SP and so Sai Seng came early to send off the Hashers. Setting a run on the tracks going up and down meant that there was a risk of having the paper removed by other hikers and sure enough that is what happened as the trail was lost and the runners came back from different directions.

Just before the run started, Goodyear and Money had their usual 'discussion' regarding who was going to SCB today and it was Goodyear who was in fact first back to home base with Money

much later with Speed Hound. Rupiah and Rosalind (having been stung) eventually came back as the light was fading. The Bunny arrived at the same time and the hot delicious food was immediately and quickly tucked away.

We had our usual short circle and I thank Tiny for conducting it as I was not feeling too well on the night.

## Circle

Welcome Yolanda as one of our two guests!! (Eric had gone by circle time).

Money was then charged by Tiny for doing a long cut and not a short one. He lost the trail and was bailed out by Speed Hound who found the way home.

The three cooks or rather Datin and her helpers, were called to be given thanks for the great food.

No respect for the circle was the charge laid against Smiling Horse and Eddy Punk who had not moved from the beer wagon when the circle was in progress.

Iceman was next to receive a cold bum as Tiny praised him as, even though he has to come from Kulim and is always late, he never fails to complete the run in a very quick time. Tonight was no different as he arrived late but came out first. (I wonder what trail he did this night as he usually gets lost without paper!!)

The Bunny was next and thanked for hosting the evening. Good run and good food was the unanimous vote.

A late charge by Iceman saw Kim Looi hit the ice. As the story goes, Iceman overheard some of the ladies talking about face lifts and remedies that can be employed to 'keep one looking young and beautiful.' "Yes" said Kim Looi "that's the face but everything down below is hanging everywhere!!!" How true!!!
