## Newsletter 2295

### **GM's Notes**

A simple trail laid so no 'lost' hashers for Granma Rose. A lovely cool evening and Hashers once again gathered to run, walk and mingle with friends on their regular Thursday Hash Night.

Knowing how simple and short the run it was no surprise that Goodyear was back in 40 mins, followed by the others who had relaxed and did things at their own pace. Some even did an extra lap in the Botanical Gardens.

The food was laid out on the tables at the back and Hashers helped themselves to Wantan Mee, fried chicken wings, crackers and groundnuts. As usual the original crowd swelled with the arrival of the "Dinner Club".

We had a short simple circle afterwards and many thanks go to Richard and Rose not only for the evening but the free beers as well.

Next week we are at Bkt Gambir for Toddy Tan's run. Please come and support.

## Circle

1. First on the ice was Marks & Spencer. The GM said there was no specific reason just that for once he was at the circle and what better way of making it count!!
2. For someone who has probably done several thousand runs, it was strange to see Black German on ice to receive his 100<sup>th</sup> run award from the Harriets. Congratulations just the same though!!
3. Another celebration was for Beauty Queen who has now completed 600 runs. Quite an achievement and she does most of the runs too!!
4. 'It never rains but it pours' as they say. Well it was certainly a case of Déjà Vu when Money charged M&S who once again hit the ice. The charge was that M&S came up behind Money on the run and didn't ask to pass just pushed his way through showing no etiquette or consideration to an older Hasher!!
5. Stop Press. A Spermwhale seen near the Botanical Gardens!!! Not been seen for quite some time the President of the Dinner Club once again surfaced for all to see. Welcome back!!
6. In riposte to Money's earlier charge, Tiny charged Money in kind for saying that Money should have moved out of the way as he was a SLOWER runner when M&S came behind him.
7. "BUNNY ON ICE." Grandma has been a stalwart of the Harriets for close on 40 years now and has always taken her turn when her run comes around. Although she no longer goes into the jungle she still does walk and it is fantastic to see her still so active and involved with the Club. Thank you Grandma for hosting the evening with a good run, good food and for the free beers. And for being a continuing member of the Harriets.
8. It was a truly celebratory evening when the final icing of the day was for the January Birthday babies. Unfortunately both members were not present and so G-Man (as the other half of G-String) was asked to stand (or rather sit) in for her and for Mini Sausage. Happy Birthday!!
