### GM's Notes

#### GONG HI FATT CHAI

Our Chinese members as usual put in much time and effort to make the annual CNY Run a good run with great food and a party atmosphere. The red banner was hung up to welcome the arriving hashers and we had three guests this week as well; Ship Stirrer (all at sea), Sim and Neil from KL Petaling Hash and even our own Ding a Ling was able to attend as it was a holiday for her.

The weather had been hot and bright during the day but at run time the dark clouds had gathered menacingly overhead. There was the first sprinkling of a fine drizzle but fortunately it all came to nothing in the end. Thank goodness!! The skies then cleared to show twinkling stars and a 2/3 growing moon in all its glory.

The start of the run was signalled by a flap of the arm vaguely pointing downwards so the pack loped down the hill and turned just after the water tank into the bush. Ship Stirrer and

Goodyear were back in about 55mins and the others followed, with the last people out about 7.45pm. Guests Sim and Neil related that they followed Tiny into unfamiliar territory and turned back as they saw no paper. Tiny, however, carried on and apparently Pukka Sahib did too and both ended up once again at Leader Garden for the THIRD time in as many runs from the Shamrock run site.

It was a short but challenging run, especially the last hill and certainly one to work up not only a good sweat but an appetite. When all were back the firecrackers signalled food was served and the hashers queued excitedly for the varied culinary delights on offer for the evening. Second and even third helpings were no problem for some and still there was food over at the end, such was the quantity graciously sponsored.

A very big thank you to all our Chinese members who contributed in whatever way, to make this another memorable evening! Thanks also for the great T-shirt, the good run, great food and the subsidised beer. We are looking forward to next year already!!

## Circle

1. Welcome the guests, Wong@Ship Stirrer (he works on a ship in case you are wondering), Sim and Neil from Petaling Hash.
2. 700 not out!!!! What a score for Silent Man!!! Many congratulations on reaching such a milestone and a big thank you for the role you always play in ensuring the back runners always come out safely.
3. The monthly birthday tribute to the (February born) members was a little early this month due to it actually being Uncle Bee's birthday on the day. Happy Birthday to All February born members.
4. Wan Lyn@Ding A Ling, unfortunately now has classes on a Thursday and has not been able to attend of late, so it was an unexpected pleasure to see her once more at the run.
5. Akz Hole was iced by the GM for going in early and saying he didn't mind if she iced him later since he would probably need the beer by then!!
6. Goodyear then charged both Tiny and Pukka Sahib for missing the turn (AGAIN) and ending up at Leader Garden for the THIRD time.
7. Guest Neil also charged Tiny for misleading Sim and he on the run, and he was glad to have gone back and found the paper.
8. The GM was charged by Jennifer for being confusing. It was something to do with subs and payments made or not made. I don't remember exactly, I'm confused!!
9. The last icing was for our Chinese members, with Mem Sahib taking the place of honour, who did a great job of making the evening a hugely successful one. Many thanks for everything!!
