GM's Notes

How was a car lying on its side near the drain, was the question on our minds as we spoke aloud and being the man Money is, he went to enquire, so if you want the answer you'll need to ask him.

We had gathered at 10.00am on Thursday to set Spermwahle's run. I only joined in on finding out that Money, Shit in a Pit, Pimp and Spermwahle were setting the run. However Money remembered at the last minute (literally) that he had a doctor's appointment and called Steve as he arrived at the runsite. So the 4 of us set off on a dry HOT morning. We came across yapping dogs, dry, dry terrain which we went up and down and eventually climbed up to the hash highway to come down at the point of entry.

In the evening two guests, Richard from Holland and Ass Hopper from Seattle, joined us for the run but the Hare, Spermwahle was nowhere to be seen as the pack was flagged off. To my mind

it was a simple short run and so it seemed as Goodyear was back in about 50 mins. My concern was for the guest Ass Hopper who had arrived late to the runsite and didn't know much about hashing in the hills of Penang. Anyway Iceman went in later than him and came across him doing the reverse run. When asked what paper he was following Ass Hopper replied that he was searching for a 'Lady running on the logo'. All was well however as he completed the run and came out in the light.

Spermwhale finally arrived and set the table ready with food and garlic bread. Nobody had to be told to 'come and get it' as all were hungry and some came back for seconds and thirds. Somewhere along the line it was decided that a new President of the Dinner Club needed to be elected and hence Kali now has that responsibility!!

Thanks Spermwhale for a good run and delicious food. A great night once more enjoyed by 35 members and 3 guests.

Circle

1. Ass Hopper and Richard we the welcomed guests of the evening.
2. Tiny then charged Ass Hopper for saying the Harriets don't drink as much as the Seattle Hash. A challenge was called but Tiny relinquished the drinking part to Goodyear. The result....a draw!! So Harriets DO drink was the accepted result.
3. Bibi Tulips then charged Smiling Horse for nobody winning the Jackpot on the draw tickets given out at the CNY run last week. She had been waiting with bated breath for the results to be RM7M richer!!
4. Iceman then charged the Hare with providing good food and made by his own hand!
5. Iceman then charged Ass Hopper for doing the reverse run and trying to find the lady. He then had the GM put her foot on a piece of run paper and stated that would be the only lady on piece of paper in this Hash!!
6. Money's late 'remembered' doctor's appointment got him a cold bum for letting the rest of them down at the 12th hour!!
7. The final icing for the evening was to say a big thanks to the Hare, Spermwhale, who not only cooked the food but helped to set his own run too. Thanks Steve. Great night!!

Next week is the AGM. Ladies please try and be at the Quarry runsite at 5.30pm as we will have the meeting before the run. Don't forget in order to vote you MUST have paid your 2016 subs BEFORE the meeting.

Ladies don't forget 8th March is International Women's day. Enjoy it!!
