### GM's Notes

It was the day of the AGM and the ladies gathered under the shade of the tree to conduct it. Unfortunately there were fewer ladies this year as we had some resignations but nevertheless the Club still continues. Basically the Committee is the same as last year with the exception of Rosalind Jolley who has taken over the role of Hash Cash. More of this next week!!

As for the short to medium run it was a challenge against the dry DRY, terrain, leaves that carpeted everything treacherously and prickly spine needles. As we started to lay the trail in the morning I got to the top of the drain and Sai Seng went on ahead. However I was stopped in my tracks as a HUGE monkey sat on a branch right in my path. Waiting for a few seconds in a staring game he bared his teeth and I screamed!!!! Luckily he then scampered off and I was able to continue on.

I followed the paper and found that it went off the path and skirted and then there was a long On Up until we reached the path at the top. If I thought the On Up was difficult the On Down

was even more challenging even in the light. Finally, after what seem forever, we hit the bottom after a very careful navigation of the loose gravel and the slippery carpet of leaves.

We had six guests for the evening and a returning Member in Rob@Shit in the Pit. One of the guests, Margaret Russell, used to run with the Harriets during the 80's whilst her husband Chris ran with PH3. By 7.15 most of the pack were back with the exception of Huge and Dieu Lah Sing. As we waited anxiously for their return, the clock crept around to 8.30 when they finally arrived back. Everyone then adjourned to White Beach Restaurant for the dinner.

Great food was wolfed back by the hungry Hashers, beers flowed and the evening's atmosphere was vibrant. After 7 crates of subsidized beer and 4 free crates the hashers stumbled out of the restaurant. Some were desperate by this time and found relief by trees, around the corner and some at the back of the bus stand!! Typical hashers! I agree the men are the backbone of the Harriets these days but viewing the closing scene, I am so proud to be a woman and a Harriet!!
