### GM's Notes

It was a hot morning as we went to set the run and an even hotter afternoon when we emerged from the bush. Those who did the run know that it was almost like rock climbing!!

We had 6 guests in the evening, two of which came just after the hashers had started. Toddy and Dieu Lah Sing went in early as they were slow. Iceman arrived late as usual and took the two late guests, Angela and Polly, under his wing. Angela had hashed before in Korea but it was Polly's first ever hash run and she wasn't really kitted out as she wore strappy sandals and had only her phone. The dry terrain was carpeted with leaves and in many places you couldn't feel the solid ground underneath you.

It was getting on for 7.30pm when the first of the pack returned. It turned out that many had blindly gone on the reverse paper instead but their descriptions of the run they did was definitely not the one that was set, even in reverse!! Where did you go???

Iceman and the two guests arrived back shortly after that and the girls said how much they enjoyed it. They must have been fairly quick too to keep up with Iceman, unless he was being the gentleman and was going slower than usual. The rest trickled in after that with Toddy and Dieu Lah Sing last to return.

The hot day turned into a hot evening and no amount of drinks seem to quench the thirst. The circle was rather subdued with the members lethargic with the heat and most moved off shortly after but it was going on for 10pm by then!!

Thanks to Grasshopper for the good, challenging, rocky run, and the food. It was good to see him at the run once more but we know he is a very busy guy these days.

## Circle

1. As usual we love to welcome guests to our runs. This week we had 6 of them: Michelle (US), Juby (HK), Richard (Holland) Ng Kong Tuck (KL), Angela (US) and Polly (Holland). Great to see you and you are ALWAYS welcome to run with the Harriets.
2. The GM then called Sai Seng to the ice but no one can remember what for!!!! DUH!!!!
3. Grasshopper then called out the GM and put her on ice. The charge was for continually talking/discussing/directing Sai Seng whilst setting the run during the day.
4. Grasshopper had his own turn on the ice to receive the collective thanks of the assembled pack for a good challenging run and tasty food. Thanks Lucas, we hope you can make more runs this year!!

On behalf of the Club and all its Members we send our best wishes for speedy and full recoveries to both Molly and Tina, both of whom were taken ill within the last week.

As I said last week we had the AGM and the Committee is the same with the exception of the Hash Cash. I wish to thank Joanne for the work she did during the last year and to say a big welcome to Rosalind Jolley whom I am sure will make her own stamp on the running of the Club in due course.
