GM's Notes

The run this week was at Bayee Pass, a term only Hashers would recognise. It is a place to watch the setting sun in the evening and is the highest point on the P14 before it starts to wind its way down to Balik Pulau. For some it seems a long way to come for a run but personally I think no place is too far if your heart is in it.

Upon arriving I saw the faithful few gathered but others arrived soon afterwards. We had guests and past Harriet members such as Dom and Alice, a very fit looking Mick Chee with his son, Oliver visiting Penang once more, Vinna and Robin with family and maid and KP Loo from PIH2.

A wonderful surprise was to see Tina turn up too (along with Hugh and Yolanda) and it was great to see her looking so well after her sudden illness. She is still recovering and was swamped with good wishes from all around.

It was Pukka Sahib's run this day and it was his birthday too so he wanted a short run so all could enjoy the evening's festivities. So it was no surprise to see the usual FRBs back in about 45-50 mins with the last ones back by 7.30pm.

The hungry hashers waited patiently as Mem Sahib heated the home-cooked food and then served. The queue seemed never-ending except when you looked closely you realised that, as the food was so good, some hashers were going around again for seconds and some for thirds too!! For others the cool breezy evening was a great excuse to drink more and chat with friends once again.

Circle

1. Welcome the evening's guests and especially to see Mick Chee once again at a Harriet run. As such he (and son) represented all the guests on the ice.
2. The GM put Take Care on ice next for no other reason than he was being his normal self and we all know what that means!!
3. Akz Hole's turn was next as he arrived at the runsite just before the off but didn't bring his gear with him, so he just sat around and had a few beers instead when he really needed the exercise.
4. Pukka Sahib was next up so everyone could wish him a "Happy Birthday".
5. The GM then called Shit-in-the-Pit to cool his bum and she grilled him on why he came as a 'dinner club' member this week and not as a runner. "It's because I'm crook" he said!
6. We had six March birthday's this year but unfortunately 3 were not there for the circle. Nevertheless we wish all our March Birthday Members a very HAPPY BIRTHDAY!!
7. The final icing for the evening was for Pukka Sahib to thank him for the good but short run and to thank Cheng for the delicious food.

The circle was then closed and the evening further enjoyed by all with more beers and cake!!

I am on vacation for the next few weeks but Anjalai will take over in the meantime. Enjoy your runs and please support Renata next week at Bkt Tambun!

See you all on the 21st April.
