## Newsletter 2308

### **GM's Notes**

We were supposed to set the run at 10.30 but Sai Seng told Vithia the night before that he couldn't do it then but he never told the Bunny nor anyone else!! So the next day as I was getting ready, I received a call from Beauty Queen, the Bunny of the Day, to say that Sai Seng had already started to lay the trail by himself earlier than the agreed time. When I arrived, Beauty Queen, Vithia and Gadget were waiting for me all quite perplexed about the turn of events. Anyway, we followed the paper already set by Sai Seng which took us up the hill to the plastic bungalow by '19' and then down Holland Chun back into the Botanical Gardens and then back to the run site at Bee Gallery. Arriving back we didn't expect to see Sai Seng but there he was shirtless as usual and full of smiles if not excuses for the morning's 'cock-up'.

In the evening the Bunny introduced her 4 guests from the mainland alongside 10 further paying guests with the return of our Australian friends who had run with us previously last December.

After the usual welcoming the pack loped off and it took the first runners only 45 mins to return and everyone was out by 7.20pm it being a short run.

The food was devoured by all, the beers flowed, with whisky for some and sometime later we had the circle.

## Circle

1. Welcome the guests: Semen Sucker, Moby's Dick, Fucking near Water, Ta Darling, Derrick, Harvey Whore Banger ( Australian Group), Hole in None, Big Willy, Adela and Dushan. Welcome on and all.
2. The GM charged Fucking Near Water for phoning her up to get information and help but then not letting her know whether he had been successful in contacting the person concerned.
3. Sai Seng was next charged by the GM for not adhering to the time arrangements for the morning's run setting and then going in early to set the run alone when others were waiting to help set!
4. We welcomed the Butterworth Harriets who are having their 30<sup>th</sup> anniversary run 16<sup>th</sup> July and we are invited to attend (RM80). (See later in newsletter for details.)
5. A charge from the floor by Akz Hole saw Money Manfred on the ice. AH related a story that on the return to the runsite Money and Viking went by the road whilst AH went by the leafy path however they met at the same point but AH's walk back was pleasanter as he was following a young woman who kept lifting her T-shirt to cool off and was swinging her bum rather nicely. Suddenly Money was beside him having left the road and was following the young woman too but pretending he was doing it because of the traffic fumes!! After about 30 metres or so he went back to the road again possibly having thought he saw a better looking ass at home every day!!
6. Another charge from the floor by General saw the GM cool her bum on the ice. The charge was, not knowing her right from her left when giving the pre-run instructions at the start. Saying 'go left' but holding up her right hand and confusing everyone! It was actually "go right" so the hand was cleverer than the mouth!!
7. The last icing was reserved for the Bunny of the Day, Beauty Queen, who in turn thanked her co-hares. Many thanks for a good run and lots of good food.

Next week's run is Geeman's run at Leader Garden. See you all there!!
