## Newsletter 2310

### **GM's Notes**

Eddie Punk, the Hare of the Day, had reminded me over the weeks that he wanted a super short run and that he had no inclination to save/rescue anyone from the bush. True to his request his run was just that, short but with a good sweat!

We had seven paying guests and four invitees to the run. Unfortunately the Hare was held up at work and so the announcements were made by Sai Seng concerning the run and after that we set off to the On In at Holland Chun (just by the PBA) in the Botanical Gardens.

Most of us have started our ON UP here at some point in time and it gives a decent workout depending on your fitness level. When I started on the steep part of the climb, Hash Bra had fallen behind accompanied by the ever faithful sweeper Silentman. In front was Fancy Pants and Black German whilst Akz Hole had disappeared ahead and was gone from sight.

I must say that I marvel Silentman's patience with sweeping and waiting for slow runners! This week a very unfit Hash Bra huffed and puffed and continually sat down every few steps muttering "take 5, take 5"!

After passing Black German at the top, it was a breeze and I quickened my pace thinking I could catch up with Akz Hole but instead it was Fancy Pants on his way down and he too soon disappeared once again as I took my time descending the steep hill. After that it was an easy walk back to the runsite.

Back at the runsite the food was already being served, beers being drunk and gossip exchanged. The Hare had catered Kuay Teow Soup and it was delicious. As the turn out for the evening was 45 members and 11 guests, the food disappeared very quickly, even the belacan chicken wings 'sold out' in no time at all. The tired cook and helpers looked relieved when they closed shop and could finally relax with a cold beer.

Thank you Eddie for a fantastic evening and delicious food and a thank you to Viking for the 2 crates of 'birthday' beer!

We also said "au revoir" to Richard who has been running with us for some weeks now whilst working here in Penang. Unfortunately the work has been completed and he has returned to Holland. We wish him well and hope he returns in the future.

Next week I will not be around as I am off to Interhash in Bali. Please however support Lily for her run at the Youth Park inside car park.

## Circle

1. Welcome to ALL the guests: Taliban, Poh Yeow, Eric, Richard, King, Smiling Tiger, Mimi, Larry, Hash Bra, Itchy Bai, Steven. You picked a great night to attend. Please come back and run again!!
2. It was Viking's birthday on the day and so what better excuse to have the monthly birthday celebrations than on the night, especially as Lily and Joanne had already had their birthdays. So HAPPY Birthday to Viking for the day and to L & J too. In celebration mode Viking also put on 2 crates of 'Birthday' Beer. Thank you. Thank you!!
3. A charge from the floor by Speedhound saw Money on ice. The charge was SCBing (is that a charge with Money these days??). Apparently after reaching the top Speedhound was in front then went up the two loops that were part of the route. When she got back to the main track Money was in front of her obviously having gone straight along the Hash Highway cutting out the loops.
4. HARE ON ICE!!! A big thank you to Eddie for a great evening. So many people turning up shows how popular he is. He may not be as fast as he once was and is vying for the title

**"King of the SCB' but he is a great guy and a loyal supporter of the Harriets. Thanks once again Eddie.**

- 5. Finally we had a one minute silence for Murugan (President of the Hash Council) who passed away on Wednesday. He was a lovely and generous man and a good friend to the Harriets over the last six years or so supporting us in many of our events. Hash was very dear to him and you would always see him supporting events all over the Country and being welcomed everywhere he went, such was his standing in the Hashing community, not only within Malaysia but also in other parts of Asia too. He will be sorely missed.**

**Rest in Peace.**
