## Newsletter 2311

### Sec's Notes

We arrived an hour early at the run site with no one in sight. A small crowd was expected as some of the members have gone for the Bali Interhash but the cars kept coming. We were pleasantly surprised with 30 members, nine *paying* guests, one invited guest and two new members. The hare of the day was worried, as she did not expect this, and more food had to be bought in. A very simple run, no checks but a lot of bush bashing, set

by our regular setter, Sai Sing. Everyone was back before dark.

## CIRCLE

1. Welcome to all the guests: Itchy Bai, Whore Banger, Banana Man, Alice & Alicia, Lawrence, Nina, Xin & Ping.
2. New members Adelya Kudyakiva & Scott Young who had run with us a few times before. Welcome.
3. With our veteran ex Harriet member Itchy Bai as guest the Circle was more interesting and nosier. He charged Beauty Queen, Vithia and Endiran for SCB on FTAC paper. According to Itchy, they did not follow the others and did their own thing.
4. Ian called Speedhound to sit on the ice for cursing the four letter word everytime she hit a rock. Unfortunately, Ian was behind her and heard everything.
5. Itchy Bai was called by Fancy Pants to be iced for leaving his membership from the Harriets. According to Fancy both joined the Harriets at the same time and he continues to be a member and comes at least once a year all the way from Germany. Why is Itchy Bai coming as a guest and not a member?
6. Bunny, Pussycat, and co-hare, Sai Seng, were put on ice for setting the run. A big thank you to the Bunny for the food and the run. It was a great evening.
