### **GM's Notes**

There were seven paying guests and two invitees to Pimp's run at Jalan Tembaga Waterfall. Pimp has been missing too long at Thursday's run but he never runs out of excuses and it is soooooo sad hearing his bad luck stories and how his now 24-pack body no longer responds to any runs!! I just think he is lazy but loveable!

When Botak Chin, Pimp and I showed up at the runsite earlier in the day, the caretaker of the Indian Temple was there and assured us that we were welcome to run there. Just tidy up afterwards!

Pass the badminton court we went in and up to the Chinese shrine. Across the stream further along the track to Farlim and along the valet floor amongst the farms and fruit trees, meeting quite friendly farmers along the way. Left onto the concrete path leading to one of the higher farms and then into the bush having once again been given a welcome to run through the farm

but with a warning NOT to pick the fruit as we could see the Kalamansi trees were heavy with fruit indicating the fruit season is around the corner.

Up the hill we went past the water containers and then skirted to the right before dropping down hill, then off to the left and a long climb up to the ridge. The ridge was the easiest part allowing one to catch ones breath once more before the tricky On Down. I was leading and Pimp and Ian were clipping, as we zig-zagged back and forth across the hill to eventually hit the bottom by the badminton court once more. At this point I was hoping that enough paper had been laid to ensure a smooth return for all in the evening.

The evening was cool and hashers and guests mingled and gossiped whilst waiting for the off. Then, after the usual announcements and welcomes, off the pack loped down the lane. Goodyear was back in an hour with the last returning at 7.45pm. There were complaints about the lack of papers coming down and the variation in paper type and colour too but no one got lost and all made a safe return.

Despite the complaint the mood was exceedingly jolly and plenty of beers were being quaffed and the food vanished in no time at all. We had a lively circle including a strip show and a fashion show too.

Thanks to Pimp for a very good run, great food and for the two crates of beer.

## Circle

1. Welcome to the guests...ALL of them!! Wally, Ralph, Trigamist, Susan, Peter, Gordon, Benny, Peter Eat Her, Stephen and Itchy Bai.
2. Fancy Panties was then called to the ice to show off her fancy pants which she was wearing earlier in the evening and had recently bought in Bali. She wasn't wearing them at circle time so we had a slight intermission whilst we went and put them on once more and paraded for us!!
3. Itchy Bai was next. The charge being No Hash T-shirt. He actually had one but it was too small. That cuts no ice with the GM of course!! Wear it or suffer!
4. Fancy Pants was then charged by Goodyear to come to the ice and to demonstrate his Balinese dancing technique which he performed, without his wife, at the runsite when at the recent Interhash! In usual fashion before leaving the ice he did his strip show to show off his fancy pants. There were at least 4 pairs this time around!!
5. Goodyear then had Spermwhale on the ice for drinking "Strong Juice" because he was not feeling well but it smelt more like Pernod than anything else!!
6. Fancy Pants was then recalled back to the ice to answers questions regarding his shopping trip in Bali in search of even more fancy pants.

7. Iceman charged Anal Probe after overhearing a conversation she was having with G-man on the subject of hormones (or so he charged). Before she could respond G-man broke in with talk of urges with actions to show what he meant. Iceman put him on ice too.
8. A last charge from the floor by Take Care first put the GM on ice for helping to set the run with poor On Down paper and then TC got the hare Pimp to come and join her and castigated them for the setting and paper used on the On Down!!
9. The last icing was of course for the hare of the day Pimp. Thank you for a good run, great food and for two crates of beer.

Next week is Johnny Lee's @ Pussyfoot run at Youth Park Car Park. Please come and support.
