### GM's Notes

Despite my best efforts at being Lewis Hamilton, I arrived at the run site just as the pack started off. Pukka Sahib made the announcements and was the last to go in. Just as he left Peter and Susan and friend Wei Ong arrived and hurried to catch up with the pack. All except Susan that is who went for a stroll instead! About twenty minutes later Iceman arrived, changed and rushed off.

Su Kim set up the table and got it organised so that Mem Sahib, who had yet to turn up, could lay out the food. In the meantime the slow runners returned with Mother Hen, Beauty Queen, Rupiah and soon after Peter and Wei Ong all complaining that they could not find any paper. It was suspected that Pukka Sahib, in his bid to keep the neighbourhood clean, had picked up the paper forgetting about people coming late or those that are slow!!

About an hour later Iceman also returned with the same complaint, as did Speedhound, Rob and W'anchor. Two tired lans emerged from the jungle around 7.40pm followed by Goodyear and Tan five

minutes later. Their verdict was a good run but very little paper to follow. Later on Gman told us they spent 10 hrs setting the run as they couldn't find the trail to come out!!! Lucky for me that I didn't help set the run today otherwise I may have spent another night in the bush with Frank!!

The delicious home cooked food was wolfed down followed by fruits and durians fresh from the Bunny's orchard and a good evening was had by all, so many thanks to Mem Sahib for hosting the run.

## Circle

1. Welcome the guests, Peter & Susan, Wei Ong, W'anchor and Tan.
2. Congratulations to Uncle Bee for completing 500 runs. Get a life!
3. Vinna was next to be iced. She killed a snake and the disposed of it at the runsite. Poor thing!!
4. You know what will happen if you keep talking during circle time especially with the GM presiding and therefore if you don't learn then take the consequences. So Money Manfred and Michelle had to cool their buns for a while!
5. Bai Pass at Bayee Pass. The moment couldn't be missed to welcome the Doc back after being MIA for so long!! Hope to be seeing more of you!
6. Pukka Sahib was trying to be a good neighbour but failed to remember about the late comers who had no trail to follow after he picked up the paper!!
7. The Bunny of the Day had her first taste of the ice on the night to be also congratulated on achieving 500 Harriet runs. Get a life too!!
8. Gman was telling us about how it took 10hrs to set the run and that his balls got so hot that he had to take off his underwear. Good job there was ice left then!!
9. One smoker on ice all smokers on ice. Well three of them anyway. Robin, Beauty Queen and Kim Looi were caught doing the terrible deed during circle time!! Naughty naughty!
10. Many thanks to the Bunny, Mem Sahib, for a good and nearly paperless run (small carbon footprint therefore) great home cooked food and delicious fruits.

I will be away for the next few weeks so please support the runs and your hard working Committee members during my absence.

## **FUNNIES**

**An old drover walks into a barber shop in Black Stump  
Crossing, Northern  
Territory, for a shave and a haircut.**

**He tells the barber he can't get all his whiskers off  
because his cheeks  
are wrinkled from age.**

**The barber gets a little wooden ball from a cup on the  
shelf and tells the  
old drover to put it inside his cheek to spread out the  
skin.**

**When he's finished, the old drover tells the barber that  
was the cleanest  
shave he'd had in years, but he wanted to know what  
would have happened if  
he had accidentally swallowed that little ball.**

**The barber replied, "Just bring it back in a couple of days  
like everyone  
else does.**
