Burst - Geeman

Arrived quite early at the run site. Not many around and by the time the circle was called, I counted like less than 20 pax. The bunny flag off the run, short run so we were told. Run it twice if you want to said the Co-hare.

Off we went from the back of Bee Gallery across the stream. Impostor and Money led the way and lost paper immediately. Cross the stream then left turn up then twist back down and up towards Mount Olivia. It was the regular trail by the housing estate. A few of tomb stones here and there as the run lead us skirting up the hill. Speedhound was as usual mumbling about as she sped up the hill

swaying what is clearly a knickerless bump! Then from nowhere Impostor caught up closely followed by Alastair, Iceman and the rest of the kiasu FRBs.

I hit the top of the hill pondering whether I should go another round...nay. The thought of cold Anchor is just too tempting! Good short run, good sweat for a Thursday pussy evening.

Circle

- 1. Geeman was iced by GM for making too much noise during the run, talking all the time.**
- 2. GM next put Money Manfred for messing up the start of the run.**
- 3. Geeman again called the GM, Treasurer and Secretary on ice for being disorganised for starting the Circle late. GM's excuse was they were enjoying eating durians.**
- 4. Sai Seng called Imposter to sit on ice for flashing.**
- 5. The Bunny was thanked for the delicious nasi lemak and the short and simple run.**
