### GM's Notes

Run: 2333

Date: 27 October 2016

Venue: Bee Gallery

Hare: Carsten

Ahhhh! Bee Gallery, Bee Gallery, Bee Gallery!!! Sai Seng was running out of ideas about which side of the hill to set the run. A suggestion was heard and a decision taken to enter behind the dumpster in the Botanical Gardens and basically 'winging' it from there.

Two days of sunshine had compacted the soil making it a little easier underfoot, as we went up and down the hill before climbing the rocks once again to reach the ridge. From there it was the usual route on down to exit at the bridge. On a previous run set we had upset a viper sunning itself among the twigs, so we were more careful this time around before we disturbed anything. By the time we had finished it was agreed it was a medium run not a short one!!

In the evening we were joined by guests Johnny Walker and Black Label, Dylan who brought along Tanna dressed in leather shoes and jeans. The pack had already left when Wu Kong and Ai Dai

arrived with 2 more guests Miguel and Javiera. The Hare of the Day Carsten with trusty sidekick Rene also arrived as did Hot Lips who had prepared the food.

Goodyear was the first to return followed by the other FRBs and the rest trickled slowly in after that with the exception of Fancy Pants and the four late arrivals who it turns out were doing the run in reverse. It was already dark by 7.20pm as we all waited for the 5 missing people to turn up. Surprisingly Dylan and Tanna survived the run despite being inappropriately attired and I hope you'll come back to run with us again another day.

Finally Fancy Pants emerged from the darkness after having been "misled by the spirits of the jungle" and somewhat later the last group of reverse runners also made it back.

The home-cooked food was delicious as hashers drowned it with subsidised beer courtesy of the Hare. After which we had our usual circle.

Many thanks to Carsten for hosting the evening. There was a good turnout and a good atmosphere as the beers slipped down very nicely.

## Circle

1. Rupiah was the first to be iced but not as a punishment but to reward her for attaining 200 runs.
2. Fancy Pants was also honoured for his achievement in attaining the same 200 runs mark. He celebrated by showing off 5 layers of Fancy Pants!!
3. Mini sausage was being a bit disruptive and was also called to the ice. He was very surprised however to be honoured with his 300 run award.

Congratulations to all three of you for your achievements!

4. Wu Kong was iced for not following the correct trail and doing the run the hard way by doing it in reverse.
5. Welcome the guests: Johnnie Walker, Black Label, Dylan, Tanna, Miguel and Javiera.
6. A charge from the floor by Goodyear saw Black German take the position. His crime was to do a good turn for someone by picking up her drunken husband from the Oktoberfest and taking him home. The problem was it wasn't the husband but a stranger!! Kali then abandoned him at the roadside in Pulau Tikus where he could get a cab to wherever!!
7. Wu Kong then charged his guests and although not usual for guests put them on ice. He introduced them saying they had just bumped into them somewhere and he invited them to come to the run which they did and completed it (somewhat bloodily for Javiera) and enjoyed it.
8. Hare on ice was the usual last call of the circle. Many thanks to Carsten for hosting and providing great food and subsidising the beers for the evening.

Next Week is the Diwali Run at the Quarry hosted by our Indian Members. Come and Support!!

# Mother Hash 80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia,

is pleased to announce that it will be holding a celebration to observe its

## 80th Anniversary in September, 2018.

Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known.

Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only RM350.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: [www.motherhash.com](http://www.motherhash.com), and click on the link to our 80th Anniversary.

**Please note that registrations are only accepted via our online registration portal as mentioned above**, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

# **FUNNIES**

Joe wanted to buy a motorbike. He doesn't have much luck until, one day he comes across a Harley with a 'for sale' sign on it. The bike seems even better than a new one, although it is 10 years old. It is shiny and in absolute mint condition.

He immediately buys it, and asks the seller how he kept it in such great condition for 10 years. 'Well, it's quite simple, really,' says the seller, 'whenever the bike is outside and it's gonna rain, rub Vaseline on the chrome. It protects it from the rain.' And he hands Joe a jar of Vaseline.

That night, his girlfriend, Sandra, invites him over to meet her parents. Naturally, they take the bike there.

But just before they enter the house, Sandra stops him and says, 'I have to tell you something about my family before we go in.'

'When we eat dinner, we don't talk. In fact, the first person who says anything during dinner has to do the dishes.'

'No problem,' he says. And in they go.

Joe is shocked. Right smack in the middle of the living room is a huge stack of dirty dishes.

In the kitchen is another huge stack of dishes. Piled up on the stairs, in the corridor, everywhere he looks, dirty dishes.

They sit down to dinner and, sure enough, no one says a word.

As dinner progresses, Joe decides to take advantage of the situation.

So he leans over and kisses Sandra.

No one says a word.

So he reaches over and fondles her breasts.

Still, nobody says a word.

So he stands up, grabs her, rips her clothes off, throws her on the table, and screws her right there, in front of her parents. His girlfriend is a little flustered, her dad is obviously livid, and her mom horrified when he sits back down, but no one says a word. He looks at her mom.

'She's got a great body,' he thinks. So he grabs the mom, bends her over the dinner table, and has his way with her every which way right there on the dinner table.

Now his girlfriend is furious and her dad is boiling, but still, total silence.

All of a sudden there is a loud clap of thunder, and it starts to rain.

Joe remembers his bike, so he pulls the jar of Vaseline from his pocket.

Suddenly the father backs away from the table and shouts, 'Hey, no problem, I'll do the fu\*\*in' dishes!'

A couple had been married for 50 years.

They were sitting at the breakfast table one morning when the wife says, 'Just think, fifty years ago we were sitting here at this breakfast table together.'

'I know,' the old man said. 'We were probably sitting here naked as a jaybird fifty years ago..'

'Well,' Granny snickered.. 'Let's relive some old times.'

Where upon, the two stripped to the buff and sat down at the table.

'You know, honey,' the little old lady breathlessly replied, 'My nipples are as hot for you today as they were fifty years ago.'

'I wouldn't be surprised,' replied Gramps. 'One's in your coffee and the other is in your oatmeal.'
