Run: 2334

Date: 3 November 2016

Venue: Quarry, Botanical Gardens

Hare: Diwali Run

When we set out to lay the trail in the morning it was a beautiful day with blue skies. Little did we know the evening would be wet and doing the run a challenge as it became dark very early and was peeing with rain. The run should have been quite simple as it was all on track but the rain made it very different it seems. Some hashers, on their return, commented about the pitch black bush and I can only assume that they had no torch to guide them. New member, Chris, had an enormous torch so guest Nellie and Ai Dai decided to stay close to him. Mother Hen somehow went off paper and after going around in circles headed back and returned safely. Drenched Hashers trickled in commenting on slippery paths and that, maybe due to bad weather, we should have short runs!!

For the second time in a few weeks we were very lucky to have a tent available to us at the run site. So when the rains came everyone had cover and we even had light as Sai Seng rigged up a

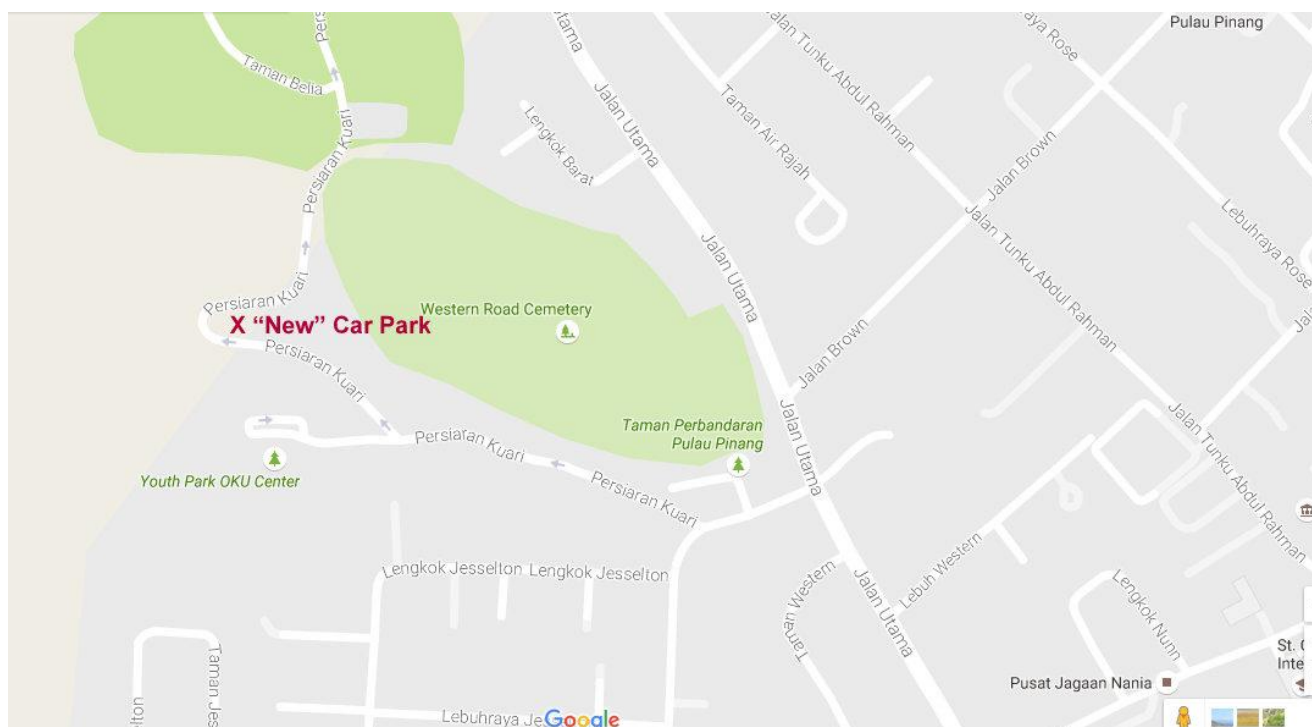

couple of lights loaned to him by Samy. It got a bit cramped with the food table and all the hashers chairs but at least all were kept dry. There was a variety of food thanks to the Diwali/Deepavali sponsorship of our Indian members. The subsidised beer flowed, seconds and thirds eaten and as the rain eased we had our circle where the men seemed to have more to say than the women!!

Despite the rain it was a very enjoyable evening and I thank the generosity of our Indian members who provided us with a wet run but good food and subsidised beer.

Circle

1. Thank you to the “Indian” run setters, Sai Seng, Kellin, Lyna, and Just Beer.
2. Spermwhale turned up with a red bucket which some wag proposed was in case he upchucked because of his gluten intolerance. Spermy was saying how useful having such a bucket was so the GM sat him on it.
3. Welcome to our newest member Chris Chew @ Chris Cycle. Long may you run with us.
4. Happy Birthday October babes. However there were only two present, the GM and Akz Hole who took the ice as the GM took notes!!
5. Thank you to the Sponsors for the day, our Indian members. Unfortunately some were missing for the evening.

Next week's run is at Youth Park “New’ Car Park just past the Info Centre.

Mother Hash 80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia,

is pleased to announce that it will be holding a celebration to observe its

80th Anniversary in September, 2018.

Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known.

Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only RM350.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80Th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

FUNNIES

My grandmother died in the 50s, but her birthday is coming up, and that always causes me to reminisce. The long walks we used to take to the store in town, the quarters she gave me for meaningless jobs like pulling weeds or washing the sidewalk.

Those gems were all good, but the one I remember most, the jewel in the crown of grandmotherly advice, occurred when I was only about 13. We were sitting in a park having just finished collecting some 40 soda bottles for the deposit money on a beautiful spring day. She told me that one day, I would find a wonderful woman and start my own family. 'And always remember this thing,' she said. 'Be sure you marry a woman with small hands.'

'How come, Grandma?' I asked her.

She answered in her soft voice. 'Makes your dick look bigger.'

A hash house harrier and his wife are shopping in Tesco, the harrier puts 10 cans of Stella in the trolley and his wife says, "You can put those back they cost £10 they're too expensive".

Further down the aisle the wife puts a £20 tub of face cream in the trolley, "hold on a minute" the harrier says, "that's too expensive", "but darling" she says "this will make me look beautiful for you".

The harrier replies, "so will 10 cans of Stella and that's half the price".

A harrier and a harriet who had never met before, found themselves sharing a bunk room at large hash weekend

Although the harrier was initially embarrassed and uneasy over sharing a room, they were both very tired and fell asleep quickly, he in the upper berth and she in the lower.

At 1:00 AM, the harrier leaned down and gently woke the harriet saying, 'excuse me, I'm sorry to bother you, but would you be willing to reach into that cupboard to get me a second blanket? I'm awfully cold.'

'I have a better idea,' the harriet replied 'Just for tonight, why not pretend that we're married.'

'Wow! That's a great idea!' exclaimed the harrier.

'OK,' replied the harriet. 'Get your own chuffing blanket.'
