### GM's Notes

Run: 2335

Date: 10 November 2016

Venue: Youth Park New Car Park

Hare: General

The General is one hasher who always reces his runs before laying the trail and usually it is at Chin Farm. Most of us used to do a recce in the past but sadly it has become a trend these days that we tend to outsource the run setting and /or copy other runs, especially now we are confronted by diminishing runsites lost to development. And so, unusual as it was for the General, he too had to outsource this run due to work and other commitments.

Due to the inclement weather we decided to lay the trail all on track. We did the same last week but because of the downpour it turned out to be quite a challenge for some. This week we hoped for drier times and as we laid paper up the hill and along the paved track towards the stream, the sun was shining. It was last week too and so as I clipped paper I said some prayers for the weather to be kinder to us. Up along the track, across the stream and then up the worn path leading to the lemongrass field where we had quite a surprise! Some years ago it was a thriving , cultivated patch

filled with growing lemongrass. The smell was divine passing through it and I used to love going by there. Then for some reason it stopped being worked on and the jungle started to reclaim it. But this time around the area was cleared and fresh lemongrass had been planted, once again the smell bringing back memories of past runs.

Passing through along the track, we took the path towards 39 at the fork. On up we climbed reasonably gently and then turned right towards the top to hit the return path. I nearly jumped out of my skin at one point when I heard a very loud hissing noise on one side of me. Fearing the worst I slowly looked around but to my immense relief I was looking at a leaking water pipe and not the gigantic King Cobra my mind was picturing. From there on it was just all the way down but those of you who know the route, it seems a long way and one has to cross at least 4 drains which today were gushing with fast flowing water from the hill.

As I headed back to the runsite later on, the sun was still out but ominous clouds were rapidly rolling in and a repeat of last week was certainly a danger. However the weather played ball for once and although it was darker than usual at 6.00pm the pack loped off up the slope, in the dry!! But it didn't last long as the drizzle started and those left at the runsite raised their umbrellas. Plans were made to evacuate should it become worse but luckily it just drizzled on and off for about an hour and then dried up, much to everyone's relief.

After about 50 mins Money and Imposter returned as well as the Hare, who also did the run. The rest trickled in as usual from then on with guests, Kellin, Monique, Benny and Joanne coming back along the tarred road having missed the turn to come down the bank. It became quite dark and the last to return were Pimp, Call Girl, Beauty Queen, Huge and Tiny together with Mother Hen all shepherded by the ever faithful sweeper, Silentman. Thank you James!!

The Nasi Lemak arrived and Beauty Queen's Kiam Chai Boey was heated up as members mingled, ate, drank the subsidised beer and gossiped.

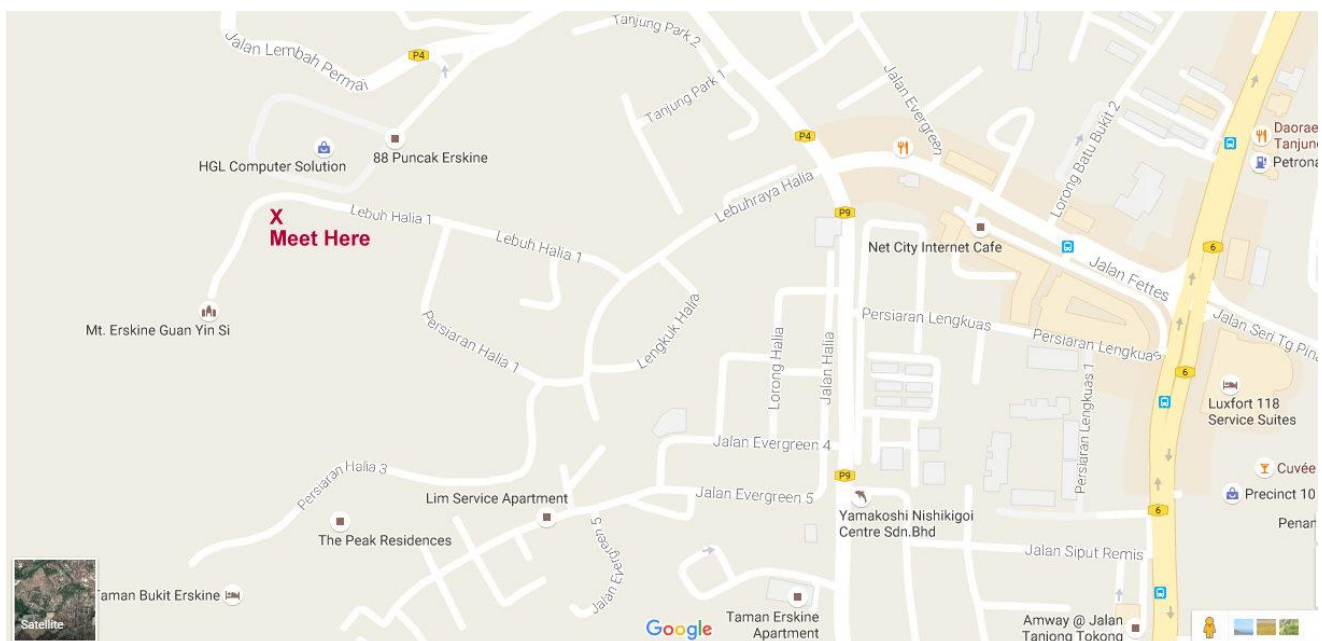

With the rain staying away it turned out to be a great evening and we even had a pale moon peeking through. Many thanks to the General for hosting another great Harriets evening!!

## Circle

1. Welcome to our newest member and IT'S A WOMAN!!! Our warmest welcome to Anna who ran with us last week and joined us this week!!
2. Welcome to our 'regular' guests Kellin and Benny who this week brought along Joanne and Monique.
3. Unfortunately last week not all our Indian members could be at the run. Two such people were Smiling Horse and Handyman. So the GM put them on ice for not attending and to give a chance for the members to say thanks for their part in hosting the Diwali Run.
4. A charge from the floor saw Money on ice charged by Goodyear. Before the run Money was complaining how sick he was and yet he came out first.

5. At that point Pimp spoke up and said he too was sick but nevertheless both he and Money were rather enjoying their respective beers with seemingly nothing wrong. So ON ICE went Pimp to accompany Money. A sick bag of ice no less!
6. Another charge from the floor saw Iceman charge Fancy Pants with scaremongering on the run. As the story goes, Iceman, late as usual, was making his way through the pack when Fancy Pants is yelling and coming back the other way saying "SNAKE SNAKE!!! We need another route". However on closer inspection it was a leaking water pipe lying on the ground and not a snake at all!!
7. Hare on ice. Many thanks to the General for a good run, good food and for subsidising the beer.
8. Thanks also to Beauty Queen for providing the Chai Boey.

**Next week's run is at Lebu Halia 1 by the Chinese Temple and is hosted by Fancy Pants.**

**Christmas is coming and Uncle Bee and Akz Hole will co-ordinate it, others are welcome to help too of course. The run is but a month away and so donations from those celebrating it and others if you so wish, can be given to those two from now on.**

# Mother Hash 80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia,

is pleased to announce that it will be holding a celebration to observe its

**80th Anniversary in September, 2018.**

Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known.

Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only RM350.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: [www.motherhash.com](http://www.motherhash.com), and click on the link to our 80Th Anniversary.

**Please note that registrations are only accepted via our online registration portal as mentioned above**, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

Organising Secretary  
Motherhash's 80th Anniversary Committee

## The Art Collector's Wife

A London attorney representing a wealthy art collector called and asked to speak to his Client.

"Saul, I have some good news and, I have some bad news."

The art collector replied, "I've had an awful day; let's hear the good news first."

The lawyer said, "Well, I met with your wife today, and she informed me that she invested \$5,000 in two pictures that she thinks will bring a minimum of \$15-20 million. I think she could be right."

Saul replied enthusiastically, "Well done! My wife is a brilliant businesswoman!

You've just made my day.

Now I know I can handle the bad news. What is it?"

The lawyer replied, "The pictures are of you with your secretary."

Mujibar was trying to get a job in India..

The Personnel Manager said,

'Mujibar, you have passed all the tests, except one. Unless you pass it, you cannot qualify for this job.'

Mujibar said, 'I am ready.'

The manager said, 'Make a sentence using the words Yellow, Pink, and Green ...'

Mujibar said, 'The telephone goes green, green, And I pink it up, and say, Yellow, this is Mujibar.'

Mujibar now works at the Telstra-Clear call centre.

No doubt you have spoken to the bastard. I know I have.

## EXERCISE FOR PEOPLE OVER 60

Begin by standing on a comfortable surface, where you have plenty of room at each side.

With a 5-kg potato bag in each hand, extend your arms straight out from your sides and hold them there as long as you can.

Try to reach a full minute, and then relax.

Each day you'll find that you can hold this position for just a bit longer.

After a couple of weeks, move up to 10-kg potato bags.

Then try 50-kg potato bags and eventually try to get to where you can lift a 100-kg potato bag in each hand and hold your arms straight for more than a full minute. *(I'm at this level).*

After you feel confident at that level, put a potato in each bag.

By taking part in a Hash House Harriets Penang run or event, you agree not to hold the organisers or any affiliated individual responsible for any injury or mishap that may happen to you.
