GM's Notes

Run: 2336

Date: 17 November 2016

Venue: Lebuh Halia 1

Hare: Fancy Pants

Even at 11am the mosquitoes at Lebuh Halia were plentiful. We have not done a run here for a long time but all remembered the mozzies!! As we climbed there was rubbish strewn everywhere, courtesy of the human race! Even lampshades could be found!!!

The wet soil made climbing a challenge as Fancy Pants, Sai Seng, Pimp and myself grasped on to anything to keep upright! Reaching the ridge was a relatively easy climb (except for the slippery slope) and then it was on upwards to the Hash Highway. Along the highway and then down into the bush once more skirting past our own "Penang Jungle" of plastic bungalows, with plastic bottles everywhere. At one point, as we skirted towards the shop lot area in Permai, we looked down and could see another colony of shanty housing for the migrant workers of the construction site.

After a number of up and downs, skirting the hill on the Permai side, we hit the long on up back to the ridge where we turned left at the top, went down and exited the way we came in, at the corner.

It didn't look quite so bright in the evening compared to the morning's sun and again plans were in hand to vacate should the torrential rains of the two previous nights come our way. One thing about the venue, the view out to sea was clear and one could see the clouds rolling in and lightning on the mainland!

After the announcements the hashers formed an orderly queue at the starting point in the corner but we could hear them at least 30 mins later still climbing the hill albeit they were hidden from view. The clouds darkened and the drizzle came. The night suddenly turned dark very quickly at the runsite so it must have been very dark in the jungle!!

Goodyear was out in about 40 mins having gone 'all the way' he said. By 7.30 it was pitch black as the last of the runners made their way down by torchlight but at least the drizzle had stopped.

The Hare, Fancy Pants, was waiting anxiously for the food to arrive and arrive it did with Spermwhale straining up the hill in his old jalopy. With fanfare and the usual chaos he parked his car in the middle of the road and proceeded to lay out the food.

It looked like Christmas had come early as roasted potatoes, red cabbage, sauerkraut, and delicious roasted pork were on offer. Steve used the back of this car as another table and deftly cut up the pork with me standing guard so that the now hungry hashers (we had 34 members and 7 guests by this time) didn't keep nibbling from the tray. The hashers couldn't get enough and the food disappeared quickly, all washed down with subsidised beer. Then came the dessert of rice pudding cut in pieces like a cake.

Once the gastronomic delights had gone and with groaning full stomachs we had a short circle.

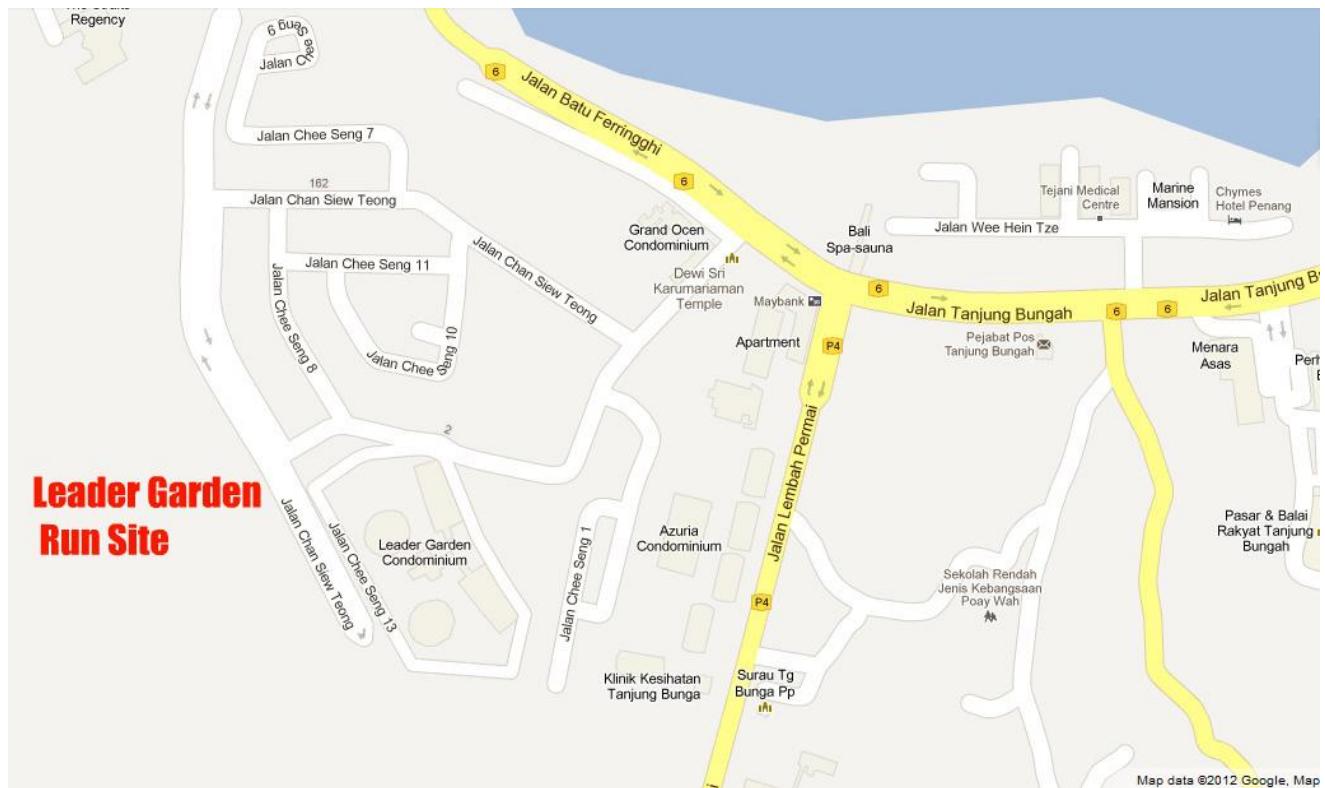

Many thanks to Fancy Pants, who returns to Germany on Sunday (20th) for the wonderful food, challenging run and the subsidised beer! Thanks too to Call Girl and Spermwhale for the cooking. Who would have guessed that an Englishman could make sauerkraut better than a German!!

Circle

1. Happy Birthday November babies. Goodyear was present so were Sai Seng and Tiny but HB to all our November born members.
2. You know that the GM doesn't talk in the circle when other people are talking. Most people realize this very early and be quiet however not the newly formed Women's Gossip Club headed by Call Girl. So on the ice they went but no hot gossip came forth!!
3. The food was so good we just had to thank the cooks of the evening, Spermwhale and Call Girl who was still eating her dinner!!

4. Charges from the floor saw Money on ice once again and again by Goodyear. This time Money had gone in early but Goodyear caught him up as he was stopped by a cobra sitting on a Watertank which he had to pass. So he waited for someone else to turn up and that was Goodyear. Not sure who was the more afraid though. "It was black and at least 2 metre long" "Are you sure it wasn't 2 inches if Goodyear had his pants down?" asked the GM!!
5. A second charge from the floor, this time by Spermwhale, saw the hare on ice. The charge was for being over anxious regarding the food. Apparently Fancy Pants got so worried when the food didn't show up earlier that he kept calling Spermwhale asking the progress hence lengthening the time as Spermwhale had to answer the phone!!
6. A revenge charge by the Hare then saw Spermwhale on ice as the Hare thanked him for the great food prepared on his behalf.
7. Hare on ice!! Many thanks to Fancy Pants for a good run, fabulous food and the subsidized beer. Also as it will be his last Harriet run for a while as he returns to Germany, the GM asked him to show how many layers he was wearing, so the strip show began. We counted 7!!
8. A surprise last icing was for Pimp who we all suddenly realized was not wearing a Hash T-Shirt even though he had been home after setting the run! Naughty, Naughty!!

Next week's run is at Leader Garden and is hosted by Rupiah.

Christmas is coming and Uncle Bee and Akz Hole will co-ordinate it, others are welcome to help too of course. The run is but a month away and so donations from those celebrating it and others if you so wish, can be given to those two from now on. Collections have begun.

Mother Hash 80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia,
is pleased to announce that it will be holding a celebration to observe its
80th Anniversary in September, 2018.

Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known.

Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only RM350.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

FUNNIES

An elderly lady was standing at the railing of the cruise ship holding her hat tight so that it would not blow away in the wind. A gentleman approached her and said, "Pardon me, madam.. I do not intend to be forward but did you know that your dress is blowing up in this high wind?"

"Yes, I know," said the lady. "I need both my hands to hold onto this hat."

But madam, you must know that you are not wearing any panties and your privates are exposed!" said the gentleman in earnest.

The woman looked down, then back up at the man and replied, "Sir, anything you see down there is 75 years old. Just bought this hat yesterday!"

A TRUE STORY FROM... "THE HOUSTON HERALD" HOUSTON , TEXAS Last Thursday night around midnight, a woman from Houston , Texas was ...arrested, jailed, and charged with manslaughter for shooting a man 6 times in the back as he was running away with her purse. The following Monday morning, the woman was called in front of the Arraignment Judge, sworn-in, and asked to explain her actions. The woman replied, "I was standing at the corner bus stop for about 15 minutes, waiting for the bus to take me home after work. I am a waitress at a local cafe. I was there alone, so I had my right hand on my pistol in my purse hanging on my left shoulder. All of a sudden I was spun around hard to my left. As I caught my balance, I saw a man running away with my purse. I looked down at my right hand and saw that my fingers were wrapped tightly around my pistol. The next thing I remember is saying out loud, "No Way Punk! You're not stealing my pay check and tips." I raised my right hand, pointed my pistol at the man running away from me with my purse, and started squeezing the trigger of my pistol. When asked by the arraignment judge, "Why did you shoot the man 6 times? The woman replied under oath, "Because, when I pulled the trigger the 7th time, it only went click." The woman was acquitted of all charges. She was back at work the next day! That's Gun Control, Texas Style
