ON-SEC'S Notes

Run 2337, 24 November 2016, Leader Garden, Rupiah as Hare

It was good to be back (minus my better half who has not been well) after an absence of a month. A very smallish crowd greeted us. The hare and run setters looked a bit worried at the gloomy weather and low turnout. It is also the time of year where the gloaming is early.

Circle was called by VGM. Guest of the Hare, Peter, a PH3 runner, was introduced and Jennifer was welcomed back after a long absence. A reminder of the upcoming Xmas run on the 15 December and the usual donations or contributions welcomed by the

organising committee. The Hare then announced the run as short to medium but at the same time advised runners to carry a torch. Instead of the usual way into the jungle at Leader Garden the Hare directed the runners the opposite direction. Just a few metres from the hash site the climb started amongst the plastic covering up and along the construction site. Only about a dozen runners started the run and once they hit the top the short cutters turned right and the main runners left. It *started to drizzle* by the time guest runner, Peter, was out by 6:55. Most were out before dark but still no sign of Tiny and Hugh. To the relief of everyone they finally made it doing their own familiar route.

A tent was set up and delicious home cooked food was served. Dinner clubbers arrived making the number to 27. Even with a smallish crowd and spitting rain everyone seemed to have a good time. A big thank you to Rupiah for the run and delicious home cooked Chinese food.

CIRCLE

1. Guest of Hare, Peter was called to the ice. As a member of PH3 he was invited to run with us again or join us as a member.
2. VGM called Take Care to sit on ice for swearing, complaining and cursing all the way during the run. Even on ice he was still swearing and complaining about the run. When asked what made him so angry but he would not say so and kept on swearing. Well we guess Take Care has his moments.
3. Hare of the day, Rupiah was called to the ice for the good run and delicious home cooked food. A big thank you.
4. Viking and Alister called Money Munfred to the ice for announcing that there is not going to be rain according to his rain alarm. His rain alarm was wrong and there was debate as to whether the spitting drizzle was actual rain etc.
5. The three stooges, Money, Mini Sausage and Counterfeit were called to the ice by the Hare for setting the run with a big thank you.

Christmas is coming and Uncle Bee and Akz Hole will co-ordinate it, others are welcome to help too of course. The run is but a month away and so donations from those celebrating it and others if you so wish, can be given to those two from now on. Collections have begun.

Mother Hash 80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia,
is pleased to announce that it will be holding a celebration to observe its
80th Anniversary in September, 2018.

Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known.

Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only RM350.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80Th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

FUNNIES

An elderly lady was standing at the railing of the cruise ship holding her hat tight so that it would not blow away in the wind. A gentleman approached her and said, "Pardon me, madam.. I do not intend to be forward but did you know that your dress is blowing up in this high wind?"

"Yes, I know," said the lady. "I need both my hands to hold onto this hat." But madam, you must know that you are not wearing any panties and your privates are exposed!" said the gentleman in earnest.

The woman looked down, then back up at the man and replied, "Sir, anything you see down there is 75 years old. Just bought this hat yesterday!"

Grandpa! What are you doing out on the porch with no pants on?

Well, last week I sat out here with no shirt on and I got a stiff neck! This is your Grandma's idea!

A TRUE STORY FROM... "THE HOUSTON HERALD" HOUSTON , TEXAS Last Thursday night around midnight, a woman from Houston , Texas was ...arrested, jailed, and charged with manslaughter for shooting a man 6 times in the back as he was running away with her purse. The following Monday morning, the woman was called in front of the Arraignment Judge, sworn-in, and asked to explain her actions. The woman replied, "I was standing at the corner bus stop for about 15 minutes, waiting for the bus to take me home after work. I am a waitress at a local cafe. I was there alone, so I had my right hand on my pistol in my purse hanging on my left shoulder. All of a sudden I was spun around hard to my left. As I caught my balance, I saw a man running away with my purse. I looked down at my right hand and saw that my fingers were wrapped tightly around my pistol. The next thing I remember is saying out loud, "No Way Punk! You're not stealing my pay check and tips." I raised my right hand, pointed my pistol at the man running away from me with my purse, and started squeezing the trigger of my pistol. When asked by the arraignment judge, "Why did you shoot the man 6 times? The woman replied under oath, "Because, when I pulled the trigger the 7th time, it only went click." The woman was acquitted of all charges. She was back at work the next day! That's Gun Control, Texas Style
