### GM's Notes

Run: 2342

Date: 29 December 2016

Venue: Youth Park Car Park

Bunny: Call Girl

It looks like drier days are here again thank goodness!! In the morning as I drove to Youth Park the way in was barred and 50 metres or so on down, there was a digger across the road. So I drove to the exit and proceeded to drive against the regular way to reach the runsite. There were the usual fitness people doing their different modes of exercise and people just walking about enjoying the last days of the school holidays. They all must have entered the same way as their cars were parked inside as they would normally be.

Sai Seng was waiting for me at the inside car park and once ready off we went. On going through the Horse Farm it was empty save for a few workers dismantling the buildings. It appears that the place has shut down and the horses transferred to KL with everything else to follow.

The now overgrown paths made the going tricky and I was also fearfully looking around for anything slithering in the undergrowth especially after hearing about last Monday's run in with a large Cobra.

At the stream we decided to go in there only to fall down in the rotting bush with rubbish strewn everywhere. The residents there seem to believe in the famous Malaysian expression of "not in MY backyard" and hence must have heaved their rubbish over the fence. Thankfully it was only for a short distance but it does show you the mentality of people.

We picked up the usual track and slowly made our way past the Muslim Shrine at the back of the Jesselton houses, hit the upward track and started to climb. It was an easy climb and we soon made the ridge and exited via the lemongrass trail down the track to the stream and then back to the runsite on the tarred road.

In the evening, after picking up a guest, Rajesh @ Turbo Pharts from Nairobi, the usual way in was still blocked and once again we entered by the exit route. As with the morning, quite a number of other cars had done the same and it was nice to see that some early hasher arrivals had also made the right choice. However some law abiding hashers didn't quite know what to do and after some phone calls Goodyear went back and escorted the reluctant hashers to the runsite. In the end we had 33 members and 14 guests (8 paying ones and 6 invitees). The last to arrive was Shit in a Pit who was fresh off his plane and it was good to see him back once again.

The delicious Vietnamese food was eagerly awaited by the Hashers as the bunny laid out the appetisers, wonton soup and sandwiches. People helped themselves to seconds and even thirds as more and more food was tucked away.

The cool evening and lack of passing traffic made for a party like atmosphere as this was not only Call Girl's birthday but also the last run of the year. Thanks to left over money from the Christmas Run we also enjoyed 4 crates of subsidised beer, courtesy of the Christmas Gang and we thank you for that. We then had a short circle as usual.

## Circle

1. Welcome to our many guests and invitees. Please feel you can join as a member anytime!!
2. The GM brought Take Care next to the ice. It seems that TC is taking a break from Hashing for about 2 years he said. As we all know, TC is a larger than life character and we will all miss him and hope that it isn't too long before he returns to us. This is au revoir not goodbye!
3. Next to hit the ice was Polish Piper. It seems his better half is away at the moment and he is feeling very lonely. To keep him company however he has invite Goodyear over.  
HMMMMM!!!!
4. A charge from the floor by Kissing(h)er saw the GM on ice. The charge was that she had not said that this was the last run of the year.

5. A reciprocal charge by the GM put Kissing(h)er on ice for being too quick to point out as she was going to say about the last run during her closing address. However she also charged him with having the biggest one there on the night..... bowl that is!!!
6. Bunny on ice. Happy Birthday to you Call Girl as it was your birthday on the day and thank you for the delicious food served for the evening. Fabulous!! Great new style of hash shoes too!!
7. A final icing saw the Bunny call out all her helpers for the day in preparing and doing the food. Thank you!

Next week we are at Bee Gallery for the first run of the year which is being hosted by HOT LIPS!! Please come and support her.

# Mother Hash 80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia,  
is pleased to announce that it will be holding a celebration to observe its  
**80th Anniversary in September, 2018.**

Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known.

Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only RM350.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: [www.motherhash.com](http://www.motherhash.com), and click on the link to our 80Th Anniversary.

**Please note that registrations are only accepted via our online registration portal as mentioned above**, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.

Organising Secretary  
Motherhash's 80th Anniversary Committee

# FUNNIES

A young woman joined the army and signed up with the paratroopers. She went through the standard training, completed the practice jumps from higher and higher structures, and finally went to take her first jump from a plane.

The next day, she called home to tell her mother the news.

'So, did you jump?' asked the mother.

"Well, let me tell you what happened," the girl said.

"We got up in the plane, and the sergeant opened up the door and asked for volunteers to go first.

About a dozen people got up and just walked out of the plane."

"Is that when you jumped?" asked her mother.

"Uh, no. The sergeant started to grab the other men one at a time and throw them out the door."

"Did you jump then?" asked her mother.

"I'm getting to that. Everyone else had jumped, and I was the last one left on the plane.

I told the sergeant that I was too scared to jump.

He told me to get off the plane or he'd kick my butt."

"So, did you jump?"

"No. He tried to push me out of the plane, but I grabbed onto the door and refused to go.

Finally he called over the Jump Master.

The Jump Master is this great big guy, about six-foot five, and around 250 pounds.

He said to me, "Are you gonna jump or not?"

I said, 'No sir, I'm too scared.'

"So the Jump Master pulled down his zipper and took out his you-know-what.

I swear, Mom, it was about ten inches long and the girth of a baseball bat!

He said, 'Either you jump out that door, or I'm sticking this little baby up your ass.'"

"So, did you jump?" asked her mother.

"Well, just a little, at first."

This morning I went to Social Security to sign my dogs up for benefits.

The lady said, "Dogs are not eligible for benefits."

So, I explained to her that my dogs are coloured, unemployed,

bone lazy, can't speak English and have no frigging clue who their fathers are.

They expect me to feed them, and provide them with housing and medical care.

So she looked in her policy book to see what it takes to qualify.

My dogs get their first cheques next Friday.

Bugger me, this is a great country!

Mother Superior called all the nuns together and said to them, 'I must tell you all something.

We have a case of gonorrhea in the convent.'

'Thank God,' said an elderly nun at the back.

'I'm so tired of chardonnay.'

## the main difference between Europe and USA

prikk:)

A Polish immigrant went to the DMV to apply for a driver's license. First, of course, he had to take an eye sight test The optician showed him a card with the letters 'C Z W I X N O S T A C Z.'  
'Can you read this?' the optician asked. 'Read it?' the Polish guy replied, 'I know the guy.'

How to tell if there is a terrorist at the airport...

My small grandson got lost in the local fair.  
He approached a uniformed security guard and said, "I've lost my grandpa!"  
"The guard asked, "What's he like?"  
The little devil hesitated for a moment and then replied,  
"Shiraz and women with big tits."

One day, a man came home and was greeted by his wife dressed in a very Sexy nightie.  
'Tie me up,' she purred, 'and you can do anything you want.'  
So he tied her up and went golfing.
