### GM's Notes

Run: 2344

Date: 12 January 2017

Venue: Charlie Market

Bunny: AML

A wall greeted our sight at Charlie Market runsite and there was no way of getting to the Hash Highway. So Plan B was to get there through an opening in the fencing by the road but even that had been recently closed off. Plan C was to head further along the road and walk up through Taman whatever it is!! Which was fine except for the barking dogs but we did get on the path leading to the Hash Highway. Nikki, our new member, came along for her virgin run setting (and run come to that) in the hope this would be the start of many more to follow.

Along the highway and about a 100m later we started climbing to the left and that was the beginning of our skirting up, down, up, down the Mt. Olivia hillside. On soft ground, through dried and fallen trees we plodded on, slipping at times on leaves and hidden roots. Hashers who did the run will know the long On Up seemed unending and Akz Hole, Nikki

and I wondered when we would reach the ridge. Nikki was great! She was struggling on this her first outing but kept plugging away step by step, resting when needed until she reached the ridge where we all breathed a sigh of relief. The On Down was straight forward going down the trail path to the left and we once again exited back in Taman whatever for the short walk back to the runsite. In all it took us about three hours to set.

In the evening the incredulous looks on the faces of the assembled hashers told the story of the 'Penang' Wall which greeted everyone. It certainly seems more entrances to the trails and pathways are fast disappearing. The Guests introduced each other to the Members as we waited for the off. Wong @ Ship Stirrer was there, again back in Penang after his latest work on board merchant ships and he never fails to run with us when in town. Nice to see you back Wong. Gadget was also in town and turned up and Anna had returned from Australia bringing along friend Kerri @ Sexy Kerrit to join the run. Kellin and Monique, both no strangers to the Harriets, were both there and later, along with Benny, also no stranger to all, joined us as Members. Welcome, Welcome, Welcome.

Money didn't run after his eye operation and we wish him a speedy recovery, which left Goodyear to be FRB. Except Wong is also super fit and they raced together doing all the run. So no SCBing for GY this week!!!

A beautiful full moon shone brightly above and the weather was perfect to sit around, eating, drinking and chatting. The food, from the local stall, supplemented with homemade chicken from the Bunny, was delicious and soon eaten up. Then we had our usual circle.

Many thanks to AML for the evening's hosting. It was another great Harriets' night!!

## Circle

Nikki was first to be iced for not complaining and finishing her Virgin run. She didn't find it easy but her determination to finish was outstanding. Don't let the difficulty put you off Nikki.....it gets easier longer term!!

Congratulations to Good Licker for accomplishing 600 runs.

But what can one say about Mother Hen. 1900 runs!!!!!! That would be 36.5 years of hashing every week if you didn't miss any. So she has been continually hashing with the Harriets for 40 years. What an incredible achievement!!!!

Our newest members were then introduced. Kellin, Benny and Monique (unfortunately Monique had to leave early) but Welcome, Welcome, Welcome!! Get your thinking caps on for Hash names in due course everyone!

Special welcome to Ship Stirrer for running with us whenever he is in Town.

**A charge from the floor by Money was supposed to have Goodyear on ice but he had disappeared by then. A lookalike in Smiling Horse was selected to face the charge instead. The charge was that GY can no longer make the excuse that Money leads him astray whilst on the run leading to them SCBing. The reason is that Money has had his eyes operated on and can now see perfectly how beautiful his wife really is!!!. Since the lookalike was taking the punishment for the accused it was great that on behalf of the accused next week is free beer.....Hahahahahaha!!!**

**The last icing of a good circle was to give thanks to the Bunny of the Day AML. Not only did she set the run but also went home and cooked the chicken we all enjoyed so much. Many thanks Cheah, a great evening!**

**Next week we are at Bee Gallery for Ai Dai's virgin Harriet hosting. Please all come and support.**

**Another reminder to please pay your subs those of you who haven't yet done so!**

**CNY is around the corner and donations are being collected by Uncle Bee for the CNY run.**

**The Club sends it's condolences to Anjalai on the passing of her elder brother. RIP.**

# Mother Hash 80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia,  
is pleased to announce that it will be holding a celebration to observe its  
**80th Anniversary in September, 2018.**

Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known.

Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only RM350.00 for the hashing experience of your life-time! Registrations can be done online. Visit our website at: [www.motherhash.com](http://www.motherhash.com), and click on the link to our 80th Anniversary.

**Please note that registrations are only accepted via our online registration portal as mentioned above,** so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.
