### GM's Notes

Sai Seng was busy clipping the 'Ang Pow' packets on to the red banner when we arrived at the runsite. Some hashers had already started the run on their own so that they could be sure of returning early and certainly in the light, as this was the CNY Run and the expectation of a fun filled evening was definitely in the air. By the time Sai Seng had completed clipping and hoisting the banner, the remaining hashers were keen to be off on the medium run. The first back was Mohan @ Black Condom who we know is very fit and fast. It took him under the hour but he said he enjoyed the run. The rest followed over the next half hour or so and all were out in the light.

The arrival of the food caused a stir as the menu was somewhat unconventional and mainly vegetarian, to the great disappointment of the pork lovers! However it didn't stop people from eating and coming back for more including the starting Yee Sang. It was a shame that there was no music to add more atmosphere though but the evening went along as the members chatted and drank away.

However, once we had had the circle people seemed to melt away including the Chinese members whose celebratory run it was. The ones left behind were all the Non-Chinese who continued to sit, chat and drink the subsidised beer until around midnight when finally everyone packed up to go home. It was then that we found the bag of rubbish that had been left behind which no doubt had

been left for Samy to take care of but he is our beer man not a rubbish collector unless you ask him first!!

Nevertheless many thanks go to our Chinese members for organising and hosting the evening and providing the subsidised beer. We all look forward to next year when we hope the pig will make its return!!

## Circle

1. You lose a few, you gain a few and our first on ice was certainly a gainer as our latest new female member Jennifer Chin was introduced to the assembled throng. Welcome to the Harriets Jennifer. I'm sure you will enjoy it!
2. There were a few early February birthdays and so we had the month birthday celebration early. Mini Sausage was included too as he was away in January. Happy Birthday to you all.
3. A charge from the floor by Iceman saw the cooks Uncle Bee and Hot Lips on ice. The charge was 'How can you have a Chinese Run without any pork to eat?' 'Trying to make you eat more healthily' was the reply.
4. A second charge by iceman put Beauty Queen on ice. It seems as he started late he was at the back but as he is fast he soon caught up to the others. As he got behind Beauty Queen he got a faceful of ass as she pulled herself up. (What's he complaining about I ask myself!! Ed.)
5. Next to hit the ice was Inspector Gadget. More than a few runners got stung by those nasty minute bees that you can hardly see but can certainly feel when they sting you. Gadget complained about being stung in a rather delicate frontal area and it was swelling up. On being asked to show it he demurely declined as he didn't want to show off!!
6. Three score years ago this member came into the World not knowing he would have some celebration for his birthday at the Harriets in Penang or be given a Hash name Spermwhale. But he does now!! Happy 60<sup>th</sup> Birthday Steve!!
7. The final icing for the evening was to thank all the contributors to the Chinese New Year Run. Thank you for the organisation, food and the subsidised beers.

Next week we are at Bee Gallery for Jennifer Teh's run. Please come and support.

# Mother Hash 80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia,  
is pleased to announce that it will be holding a celebration to observe its

**80th Anniversary in September, 2018.**

Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 're-turn' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known.

Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only RM350.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: [www.motherhash.com](http://www.motherhash.com), and click on the link to our 80Th Anniversary.

**Please note that registrations are only accepted via our online registration portal as mentioned above**, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.
