Hash House Harriets Penang

Run: 2354

Date: 23 March 2017

Venue: Air Itam Temple

Hare: Mark & Spencer

GM Notes:

Thursday's run-site was a new one for the Harriets. Since the closure of the road leading to the Dam we had to shift the run-site late in the day to the bottom of the hill. The On In was back down the road a little just past a Buddhist temple (one of many) and on to a tarred road leading upwards. Up the road we went but at the first left we went into the bush. Even here the bush was not spared from human irresponsibility as rubbish was half buried everywhere. We proceeded down the bank, under fallen trees and rotting vegetation. If it was not for the rubbish one could enjoy the beauty of the place and the greenery but it was hard to visualise the place without the rubbish.

Going up a tier I thought we were done but that was just the beginning of more meandering along the stream crossing and re-crossing several times. Sai Seng kept saying this was the place of THE Hanging Rock and not to be missed but we did as I never saw it!! Instead we skirted through slippery rocks, carefully watching where to put our feet to prevent falling into any of the numerous crevices. Everywhere there were plastic bottles, rusting cans and discarded household items. It is so sad to see this "out of sight, out of mind" attitude that some people have.

We climbed up and up to finally exited on to the path at the dam and I was very relieved to be out of the rocks. However it was a loooooong path down on the road, which didn't do any good to my knees and I hoped that it would not rain on the day, since it would make it even tougher climbing up.

On Thursday, Money and Rupiah were the first at the new run-site (Nirvana Penang West Lake Garden) and after hanging the Hash Foot at the end of the road to signal hashers where the run-site was, more started to arrive. Due to the 'distance' the crowd was smaller than usual but lively. The run-site was cool, bright and green with plenty of parking. My advice to all who heeded it was that it was a tough, challenging run, slippery in places especially through the rocks. Money, Viking and a few others went in early on my advice, whilst the others got themselves ready for the 6.00pm start. Iceman as usual was last in after arriving late.

Just over the hour the first runners were back remarking about the rocks and the rest arrived at intervals after that over the next hour or so. The last to return were Tiny, Mother Hen and Silentman who accompanied them home. Many thanks for that.

The hare had arranged Beehoon and fried chicken which was devoured hungrily by the hashers as was the watermelon.

Many thank to Marks and Spencer for hosting the evening and giving us a new run site for the future.

I would just like to make a comment on something that was raised in the circle. The hare sets the run. It can be easy, tough, long or short. On the day we normally get some information about the run, Short, Medium or Long is about it. If more was said it is probable that far less would do the run but sometimes more information is also given, as with this run, it was emphasised that it was a tough run and slippery in the rocks. We are all adults freely attending and running. It is each individual's choice whether they do the run or not. The Club are not responsible for that choice.

Next Week we are at Mount Pleasure for Kissing(h)er's run. Please come and support.

Circle:

1. Welcome the guest Mr. Khoo from THK.
2. The GM then put the hare on ice. The charge was missing his run last month and cancelling it at such short notice that the Committee had to step in and host the run. The hare apparently forgot (although it had been advertised since last October) and was too busy at the time!!!
3. We seemed to have two circles on the night. One of them had three members in it and they were not in the main circle but sitting across the road. So the GM put Goodyear, Eddie Punk and Beauty Queen on ice for having a Bullshit Circle!!
4. Welcome back to Fancy Pants. Once again he's back in town and will be here for a month. Always great to see him and you know he'll get in as much hashing as possible whilst here.
5. Hare on Ice. Many thanks to Marks & Spencer for a tough run, good tasty food and a potential new run-site.
6. The last icing for the evening was for that hash failure to remember, 'don't wear new shoes at the hash'. It was Inspector Gadget's turn to forget this time around. Hashers have keen eyes.....remember that if nothing else!!

Jokes and fun facts:

A scientist tells a pharmacist, "Give me some prepared tablets of acetylsalicylic acid."
"Do you mean aspirin?" asks the pharmacist.
The scientist slaps his forehead. "That's it!" he says. "I can never remember the name."

How do we get there?

Where should we stay - what sort of accommodation can be recommended – Hotel, B&B Home-stay??

What is there to do, before and after Interhash?

What tourist attractions MUST we see?

Someone interested in going Scuba Diving, snorkling?

How long should we stay?

Is it safe to move around? Etc. etc...

Prepare your questions...

Tentatively **Wednesday 5 April at 6.00 PM**

Venue to be decided, when we know how many will be attending...

Hash House Harriets Penang

Mother Hash 80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia, is pleased to announce that it will be holding a celebration to observe its **80th Anniversary in September, 2018.**

Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only RM350.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80Th Anniversary. Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.
