GM's Run Notes

Due to miscommunication we started to set the run later than usual. Texas Tits from PIH2 also joined Sai Seng and I to help set. The On In was to the left just before the Indian Shrine at the top of the road. It was another mini dumpsite with even diapers thrown there!!! Once in we turned left and started going up...and up...and up!

The ground was wet and slippery from the last two nights rains which made the going tougher. At some point we met old paper from previous runs which we cleared and then kept climbing.

When we exited on to the path at the top I was surprised how high we had climbed but we were on the On Down track that would ultimately take you to Shamrock Watertank. Close to the bottom we cut left and then climbed up some more and then skirted until we hit the path leading back to Mount Pleasure.

Despite the 'distance' we had a good turn out and many actually did the run. Some arrived early and went in straight away whilst others went in at 6pm all except Iceman who was late as usual and started at 6.25.

The Hashers returned from 7pm onwards and Iceman was back in 57 mins. The slow ones took their time. However it was soon realised that 3 were missing (SpeedHound, Pussycat and Tulips) two of them being normal FRBs. It was dark by now but SpeedHound called to say she and Lily were together but seemed to be going around in circles and couldn't find the way out.

GM's Run Notes continued...

Sai Seng knew where they were and prepared to go in for them when we had another call from Tulips who was on the way down too. So the three of them got together. Sai Seng found them and they finally exited at 8.55pm. Thankfully it hadn't rained during the day or evening to make it tougher for them and after giving them some time to recover we had the circle.

Many thanks to Kissingher for the hosting of the evening and especially the Rum!! The food was very tasty too and many had seconds perhaps even thirds!!

***** Next Week we are at TAR College, Chinese Temple for Kim Looi @ Missy's run. Please come and support *****

Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.

HAPPY BIRTHDAY to the March babies!
It was a shame that only SilentMan was there to cut the cake but HB to all of you.

The GM then charged Goodyear and Gadget with talking too much and repeatedly saying bullshit rubbish!!

Mini Sausage was next on the ice. He had intended to be the rescuing hero going into the jungle to help the ladies in distress. However Sai Seng had already beaten him to it. Never mind Mini at least the intention was there!!

A charge from the floor by Goodyear saw Right Hand Drive hit the ice. The charge was for having new shoes at the Hash (but wasn't he charged with that a few weeks ago for the same shoes???) Nevertheless on ice he was....again!

Our new On Cash didn't have a Hash Name and so it was decided to give her one on the night. The favourite amongst the crowd was HOT SPOT and she was suitably welcomed into the hashing community with 'holy' water to seal the deal!!

Mother Hash 80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia,
is pleased to announce that it will be holding a celebration to observe its
80th Anniversary in September, 2018.

Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only RM350.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80Th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.
