Hash House Harriets Penang

Run: 2361

Date: 11 May 2017

Venue: Sea Palace Restaurant, Pekaka

Hare: Sayor

GM's Run Notes

The trail was at Taman Pekaka but the runsite was at a Chinese Restaurant in Lebuh Pekaka 1 about a kilometre away. The hare wanted to start the run from there so that all would find parking spaces as it gets very busy during the evening. Money acted as parking attendant putting hash logo paper on each hasher's car.

The Hare said it was a short run but was 1 KM each way to the hill. The slow ones including guest Wet-in-Between and other guests of the hare started out by jogging along the road leading to Jalan Bkt Gambir to get to the On In. Bibi Tulips and Rupiah had gone off earlier to get a head start.

When we reached the On In the trail veered right straight away. Beauty Queen was leading having got a lift on Goodyear's motorbike to the In. It was wet and slippery as we climbed and GL had to turn back as his knee gave out. By now Grasshopper was leading the back pack of Smiling Horse, Beauty Queen, Silentman, Wet-in-Between and myself, when suddenly he was shouting "BEES!!" He got stung but warned us to head left and we climbed a bit higher from there. We were able to get past the bees and were climbing higher when we came across a very agitated Rupiah who informed us that Bibi had been stung multiple times and was not feeling good and that she was being helped back down. Just then she came into view being carried and didn't look good at all. The group were reluctant to go on after seeing Bibi and we decided to follow her back down the hill.

GM's Run Notes continued...

Bibi's two rescuers were Alex and Hogulan, friends of the hare, who made the decision to get her down the hill as she needed medical attention. It was a short distance but seemed to take forever to get down. Itchy, who seemed to be everywhere, had called Money to bring his car and to get Bibi to the clinic, fortunately there was one just by the restaurant. The residents came out to see what the commotion was all about and many got out their medicated oils to treat the stings. As Bibi was driven away we all began to relax and we made our way to the runsite but not before meeting Iceman coming back in his car but was told that Bibi had already been taken by Money. Back at the runsite we learned Bibi had had a jab and was under observation for about 30 mins or so to make sure she was Ok. Which thankfully she was and returned not too long after seemingly none the worse for her ordeal! Bibi has asked me to convey her heartfelt thanks to all of those who stayed by her and looked after and carried her down the hill. She very much appreciates your concern and help.

There were some who did do the run and all returned in due course except Botak Chin who finally arrived back after quite some time. A microphone was then thrust into my hand to 'uplift' my voice and we had the circle.

Dinner was a 5 course feast with plenty of drinks on the house courtesy of the hare. It was delicious and there were certainly no complaints only praises for his generosity. We also had dancing and Karaoke for entertainment. Many thanks Guna for a wonderful and eventful evening. You'll certainly remember your first hosting with the Harriets! We had 33 members and 2 paying guests as well as many guests of the hare.

GM's Run Notes continued...

Just a note about Guna @ Sayer. He first joined the Harriets in April 2010 but left us the following year. However he always kept in touch and promised to return which he did in April 2017. He immediately requested that he host a run to make up for the years which he did in style and with such generosity as stated above. Thank you.

The episode with Bibi just goes to show what can happen in the bush. We always say NEVER go into the bush alone. You can never predict what can happen.

With our new joiners this week we now have 75 paid up members. This is made up of the following groups: Chinese 32, Caucasian 28, Indian 15.

***** Next Week we are at Bayee Pass for Pukka Sahib's run.**
Please come and support him ***

Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.

The Circle

Welcome the guests we had 16 of you. We hope you had a great time!

The Circle

We had three new members join this week too. Tan @ Kopitiam, Alex @ Pussy Rental and BC Lim. Welcome to the Harriets and long may you run with us.

The GM charged Goodyear for taking Beauty Queen to the 'On In' on his motorbike. Naturally BQ had to sit on the ice too.

Hash House Harriets Penang

Mecherl was next on a charge of not wearing a hash T-Shirt although she thought she could get away with tying one loosely around her waist.

The Circle

Iceman then charged Goodyear for bringing the microphone into the circle and using it. "But I did it for the GM" he complained! "Her voice is so low today!"

Hash House Harriets Penang

A second charge by Iceman saw guest Wet-in-Between on ice. The charge was her jazzy pants. Whenever Iceman looked at them he became dizzy he said. Especially when they are in front of your face when going up the hill! He claims he also got a bee sting on his bum!!

The Circle

A third charge by Iceman saw Saylor hit the ice. The run had been set the day before and Saylor apparently didn't finish it as he got stung on his manly parts. Iceman gave him a bag of ice to take down the unwanted swelling.

Hash House Harriets Penang

Sai Seng then also charged Saylor, asking him due to his swelling and not finishing setting which hill did he climb.....Bkt. Kan Kang???

The Circle

Hare on Ice. Many thanks to Saylor for the run, the liquor and the superb 5 course dinner. Generosity itself.
