Hash House Harriets Penang

Run: 2364

Date: 01 June 2017

Venue: Leader Garden

Hare: Huge

GM's Run Notes

Huge is one of those hashers who plans and reccees his runs before laying the trail. I also know that his runs are never long but give hashers a good workout. This time his venue was Leader garden and so I decided to do the run instead of helping to set it.

At the runsite there was no Silentman nor Beauty Queen (congratulations on joining the Grandma Club!!) to tag along with, so I tried to keep up with the group in front of me comprising of Mother Hen, Rupiah, Good Licker and Black German.

As we came to the stream there was a plastic bag with a note inside pinned to a thorn warning of bees/wasps ahead! We definitely didn't want to go there and so we crossed the stream and on from there.

As usual I was getting slower and slower and the others were a long way in front and out of sight. Viking passed me going the other way saying it was a pain handle and to turn left ahead. Hurrying I managed to catch my group just as we started climbing. Edna was sitting on the path as she had tripped and hit her knee and so decided against going on and turned back. Just then Bommy passed me on his second time around the loop having taken the Hare's advice to do it twice if one felt it was too short. He assured me that this was the hardest bit and the rest was easy. Huffing and puffing I reached the crossroads where we turned right and it was downhill after that.

GM's Run Notes continued...

Catching the group up again, we crossed the stream a second time, climbed the bank and rejoined the path back to the runsite. We came out just before it got really dark only because we took our own sweet time. It was a well thought out run with enough exercise, for me at least.

Back at the runsite the crowd had swollen once again as the Dinner Club members arrived and the delicious chicken chop, potatoes and bun were a BIG hit with everyone. Finally dragging myself away we had the circle.

Many thanks to Huge for hosting and for the good run and great and different food!

Just a comment on something that was told to me last week:

We are a mixed ability Club with those who are fast and those who are slow and those in between of course. We have those who can do the run, those who like to walk around the roads and those who sit by the beer wagon. We also have those who come late (and who knows that one day it might be you) and there are many reasons for this most notably work commitments. Although we joke about the 'Dinner Club' they are as much a part of our Club as anyone else and have a RIGHT to turn up whether they do the run or not. The Club is not just about the run but about camaraderie and socializing and we should feel very good that those who come late WANT to be with us as a Club. To me that speaks volumes for the type of Club the Harriets are. One that WELCOMES EVERYONE!

The Circle

Welcome to our guests, Black Label, Ron, Johnny Walker and Take Care.

The GM called Uncle Bee to the ice. When the GM acknowledged the Dinner Club last week Uncle Bee kept out of sight and didn't join the others but was spotted.

Anna has been running with us for a while when she can. However this time of year is pretty busy for her but she came along, not in hash gear I may say, to socialise with us. The GM put her on ice for not only being incorrectly dressed but also she had no hash name. After several names were bandied about and discussed Anna complained her bum was getting frozen which ultimately brought forward the name of FROZEN PUSSY, with which she was duly baptised into the hash fraternity.

The GM once again gave out the accolades for the “idiots of the Week” award:

- 1) The three idiots called to the ice were, Dieu Lah Sing, Money and guest Ron all who went in early for a shortish run.

2) Two more idiots in Kopitiam and Goodyear were taken to task for also going in early with the excuse that Kopitiam was sick and hence need to go in early.

3) Viking was next also for going in early despite knowing the run.

A charge from the floor saw Iceman charge Botak Chin. The crime was for complaining that Frozen Pussy came to the runsite riding her bicycle but wearing a mini dress. Botak Chin thought it inappropriate and that women should not ride bikes with short dresses (probably because they made his heart beat faster and faster). Iceman severely disagreed with this as he likes to see women in short skirts/dresses because it DOES make his heart beat faster and probably most men do too!

Hare on ice. Many thanks to Huge for a well thought out run and great food.

Thanks, but I don't want to have sex.
Nope, no more alcohol for me.
Sorry, but you're not really my type.
Good evening officer, isn't it lovely out tonight?
Oh, I just couldn't. No one wants to hear me sing.
You're right, I can't jump over that table!
