## Burst

I arrived at the run site luckily early, three chapters at one run site, full house!

Philip arrived on Moto and informed no run only walk in the park. I managed to make him change his mind and we together with AML & Steven started a bit early into the run. Over the bridge strait up towards mount Olivia the paper followed a well-known trail. After some time the paper went left down, oh here the up and down circus starts, I thought. But after some time we were again on the main trail up to mount Olivia. After two front runners passed us we were attacked by bees, some of us got some stings. A guest runner (from Italy) shared an onion for relief of the pain, never before we know that this helps. Reaching the top it was down towards lily pond trail, easy. The rocks down on the ropes took us down to the park and easy run back to the beer wagon.

This was a very nice 4.1km run followed by good food and cheap beer.

Thanks to the hare of the day, Monkey King (Wu Kong).

## The Circle

Welcome to the two guests this week, Craig from Canada and Steve a regular guest (not pictured).

# Hash House Harriets Penang

## The Circle

Next on ice was our new member Lorenza from Italy. Lorenza did her second run with Harriets this week and has already earned a reputation for being very fast. After asking her a few questions members were asked to consider a hash name for Lorenza in the coming weeks. Welcome to Harriets and we hope you enjoy many runs with us.

## The Circle

**Frozen Pussy was summoned to the ice for finally wearing a hash shirt for the first time in eight months. Apparently hash shirts don't compliment Frozen Pussy's chosen attire particularly when she attends runs wearing mini skirts or dresses!**

## The Circle

Speed Hound next called Money and Dieu Lah Sing to the ice. In DLS's absence Botak Chin was chosen as his substitute. During the run Money and DLS were worried about bees attacking them. Lucky for them our newest member Lorenza came to their rescue and tossed them a freshly cut onion to rub on their bits and pieces to ward off the bees.

## The Circle

Last on ice was the Hare. Many thanks to Wu Kong for hosting a great run and food. Birthday wishes were also extended to the Hare and Ronnie Tour attempted to sing him 'Happy Birthday' but unfortunately didn't manage more than a few words leaving WK to sing his own song.

Special thanks to Speed Hound for helping with the Circle and Money for writing the burst.
