GM's Run Notes

Run: 2367

Date: 22 June 2017

Venue: Shamrock Beach Watertank

Bunny: Grandma

It was futile to hope it would not rain, especially when the heavens opened up and drenched us as we were setting the run. The alternative runsite would have been Mt. Pleasure but we had a wait and see attitude for the evening.

The clouds did little to allay our fears as we met at the runsite later in the day. Big BLACK clouds were moving steadily in as we gathered to listen to the usual spiel. At this time it wasn't raining but almost as soon as the runners started off it came. IN TORRENTS!! We quickly made our way to the Chinese Shrine just further down which provided some good shelter. Fortunately Money had lent his canopy just in case, so Johnny Walker and Akz Hole strung it up as best as possible to give a little more shelter.

Grandma was already at the run site and later Snow White also appeared accompanied by his daughters and son-in law. They had also cooked most of the food for the evening which we were all looking forward to taste. Champagne was popped, a toast made to the birthday girl and a small bouquet of flowers given to mark the occasion. But the rain wasn't playing ball with us and carried on pouring!

By the hour mark the FRB's started to return. More non-runners also started to turn up too to wish Grandma a very happy birthday. It must be said that Kali was great. It was also his birthday the same day but kept quiet so as not to steal the thunder of the grand occasion.

GM's Run Notes continued...

When most were back it was decided that the food should be served and it was worth waiting for! Roast pork, with apple sauce, sliced potatoes in cream and fried chicken were wolfed down and more eaten. There was Kuey, provided by Molly too. Finally the rain, perhaps scenting the party atmosphere, stopped and left us with a rather pleasant cool temperature for the rest of the night.

Naturally there was a birthday cake specially for our Grand Old Lady and a second one for the June birthday babes. We welcomed the guests and had a rather lively party like circle.

The rain had brought us all together under the canopy which I think helped to generate the great atmosphere. The cool temperature after the rain stopped had everyone sitting in the road quenching their thirst late into the night.

Thank you to Grandma and family for a great evening, delicious food and subsidised beer. Thanks to Kali also for subsidizing even more beer, to Molly for the cakes and to all of you for turning up to make this memorable occasion even more so. In all we had 45 members, 8 guests and 3 invitees.

Grandma's daughters Jennifer and Melanie also asked that their thanks be extended to everyone who came to the run to help celebrate their mother's 90th Birthday and helping to make it a festive event.

***** Next Week we are at Leader Garden for Frozen Pussy's virgin set run and hosting. Please come and support her *****

Just to let you all know that Edna @ Mother Hen, was taken ill on Friday. We all wish her a speedy and full recovery.

Harriet Humour

A woman is sitting at home on the couch with her husband and she says "I love you."
He asks "is that you or the wine talking?"
She replies, "It's me.... talking to the wine."

The phone rings, and the wife answers.

A pervert, breathing heavily, says, "I bet you have a tight ass with no hair."

Woman replies, "Yes I do, he's watching TV - whom shall I say is calling?"
