Hash House Harriets Penang

Run: 2368

Date: 29 June 2017

Venue: Leader Garden

Bunny: Frozen Pussy

Burst

Firstly I would like to pass on my best wishes for a speedy recovery to Edna, after hearing about her recent health scare. Looking forward to seeing you back in the jungle soon. On On !!

As the GM was away in Japan on a well-earned break, Speed Hound took over the duties of Circle Master introducing the guests and providing the standard announcements to the smallish gathering of runners who waited for the circle – a lot people had already started the run. The Bunny (Frozen Pussy) was called to the circle to introduce her run. It was at this stage that I thought it unusual that the Bunny was dressed in clean gear and looking ready to run. We then found out that she had out-sourced the run setting to Sai Seng, who was still in the jungle !! So ... Speed Hound suggested it would be a Medium to Long Run and to make sure all runners carried a torch light.

As the packed walked along the tar road towards the gate at Leader Garden, Frozen Pussy along with her daughter Becky, advised that they were not carrying a torch and asked if they could run with someone who had a torch light so as not to get lost in the jungle. Being a fellow Aussie, and a gentleman, I thought it my duty to escort the two lovely ladies on the run – I was later put on ice for what I consider an honourable act 😊

Turning left just after the gate, we climbed the short sharp rise and then continued left heading down towards the stream. You always know it's going to be a long Hash Run when you start the run heading downhill 😞

Burst continued...

Having rained a little earlier in the day, the trail was a little slippery, combined with lots of Machine Gun, Thornes, Vines and virgin trails winding around rocks and boulders. Eventually we started a nice long climb where we caught up with Money Manfred, who appeared to be waiting to ensure that everyone was ok. Once at the top of the long climb, I was expecting an easy downhill run home along open trail – this was not to be !! Once again we entered virgin trails with Thorns and Machine Gun everywhere, slowing our progress and making it look like we would still be in the jungle after dark. On the way down, we were passed by a number of experienced Hashers including Speed Hound, Money Manfred and the General. Black Label also caught up and remained with us for the remainder of the run. Using torchlight for the last 5 minutes we completed the 4.2km run in 1Hr 35min - a solid Medium Run.

Whilst recovering around the beer van, I heard that Aussie guest Peter (Cockerel Man) actually caught the Hare – surely is worth a free beer ! The Thai Food was fantastic, followed by a good circle. I especially enjoyed the Penang Hash experienced described by English Guest Alice (from Chaing Mai) – not sure if we will ever see Alice again (Who the Fuck Is Alice !!).

Thanks to the Bunny (Frozen Pussy) for setting a great Run, providing fantastic food, and good company on the trail – even though she outsourced everything including the torch light ☺

The Circle

Welcome to our guests Wanker, Johnny Walker, Becky, Alice, Susan, Peter and Black Label.

Hash House Harriets Penang

The Circle

First on ice was
Bommy, Iceman and
Money for their
heroic efforts on
Tuesday when they
rescued Huge from
the jungle and
bought him out safe
and sound. Many
thanks to Huge's
rescuers.

The Circle

Next on ice was Bommy who is usually a fast runner. However Bommy was quite slow this week It seems he was distracted by the Bunny and her daughter who he decided he should look after, especially if it got dark. More heroics!

The Circle

Iceman called Saiseng to the ice for setting the run like a maze and getting people lost..... including himself .

A charge from the General saw Wanka on ice for singing two different Hash songs and therefore confusing the members. The General insisted that the Harriets only ever sing one song during the circle and Wanker had broken the song rules.

The Circle

The bunny then called Biking Sheila to the ice to thank her for organising the catering while the bunny was off sunning herself on a tropical island off the east coast.

Next the bunny also had a charge for Saising. Frozen Pussy thanked Saiseng and Virgin Handbag for setting the run but she added that while she requested for a challenging run, she did not expect the Hareto get lost himself as a result.

The next charge was from Iceman who called No Choice to the ice for being a good Samaritan during the run and helping the guest Alice.

The Circle

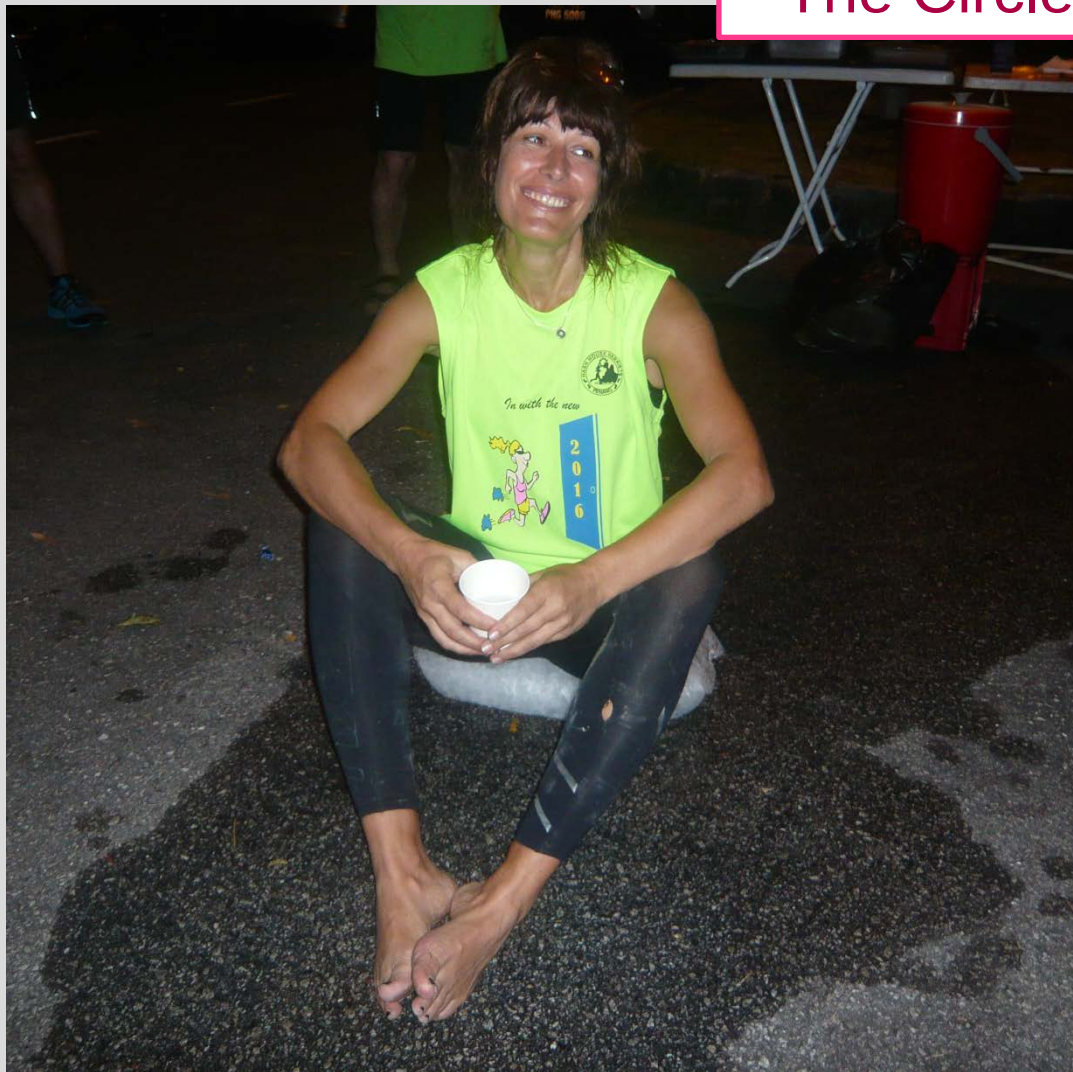

Alice then kept No Choice on ice for lying to him. Alice said No Choice constantly spun him BS in her futile efforts to reassure him that the on up was coming to an end..... It wasn't! Alice then sung NC a Chang Mai Hash song.

The Circle

Finally the Bunny was on ice and reminded that her virgin setting didn't actually occur.

Nevertheless, many thanks to Frozen Pussy because everyone enjoyed themselves including the "a-maze-ing" run and delicious Thai food.
